Highlights

Annual Deductible*	Individual: $12,000 Family: $24,000
Coinsurance	0%
Annual Out-of-Pocket Maximum** (includes deductible, coinsurance, and copays)	Individual: $12,000 Family: $24,000

* Deductible: The individual Deductible applies to each covered family member. No one person can contribute more than the individual Deductible amount. Once two or more covered family members' Deductibles combine to equal the family Deductible amount, the Deductible will be satisfied for the family for that Calendar Year.

** Out-of-Pocket Maximum: The individual Out-of-Pocket Limit applies to each covered family member. Once a member has reached their individual Out-of-Pocket Limit, the plan will pay 100% of their Covered Services. Once two or more covered family members' Out-of-Pocket Limits combine to equal the family Out-of-Pocket Limit amount, the Out-of-Pocket Limit will be satisfied for the family for that Calendar Year.

Cost sharing shown applies to services received in-person or via telehealth

[1] When receiving covered services at an office, urgent care, or hospital visit, member may be subject to cost share charges from both the facility and the physician/surgeon.

[2] Charge shown for the office visit. Additional services rendered during the office visit may be subject to their applicable additional copayment or deductible/coinsurance as specified in the Schedule of Benefits. Charges applied per provider, per date of service.

[3] Member cost-sharing may vary based on the place of service where it is rendered. Additional services and evaluations rendered during the visit may be subject to their applicable additional copayment or deductible/coinsurance as specified in the Schedule of Benefits.

[4] Coverage for mammogram and breast ultrasound is covered at $0 to the Member. If the Member is enrolled in a high deductible health plan, the Member may need to satisfy the minimum deductible of the plan prior to the service being covered at no cost share.

[5] Coverage for breast MRI is covered at $0 to the Member. If the Member is enrolled in a high deductible health plan, the Member may need to satisfy the minimum deductible of the plan prior to the service being covered at no cost share.

Prior Authorization: Some services and items require prior authorization, which is the process used by the Plan to determine if it meets medical necessity and coverage requirements prior to the service being provided. The provider, or the member when using a non-network provider, is responsible for obtaining prior authorization for the services and items described on the prior authorization list. Please refer to the prior authorization list attached to your Evidence of Coverage for additional detail or you can obtain the list at **www.caresource.com/mp-GA-pa**.

This Schedule of Benefits is a summary of your financial responsibility when you receive health care services from a physician, pharmacy, facility, or other provider. All Covered Services are subject to the conditions, exclusions, limitations, terms, and rules of the Evidence of Coverage including any rider/enhancements or amendments. Except as otherwise provided in the Evidence of Coverage, Covered Services must be provided to you by a network provider and medically necessary. The Plan does not cover all healthcare service expenses. In the event of any discrepancy between this Schedule of Benefits and your Evidence of Coverage, the Evidence of Coverage shall control. For more detailed information about your Covered Services, please refer to the Evidence of Coverage at **www.caresource.com/marketplace**.

For Covered Services listed in the Evidence of Coverage that are not specifically listed on this Schedule of Benefits, the cost sharing is equal to the coinsurance after the deductible.

Your CareSource marketplace plan was designed to meet certain requirements set by the Internal Revenue Service and qualifies as a high deductible health plan (HDHP). As such, your CareSource marketplace plan is compatible for use with a Health Savings Account (HSA). However, please be aware that CareSource is not offering or administering an HSA in conjunction with your CareSource marketplace HDHP. In addition, your enrollment in a CareSource marketplace HDHP is only one of the eligibility requirements for establishing and maintaining an HSA. You are responsible for determining whether you are eligible to establish an HSA. You should consult your financial, tax, or legal advisor for more information regarding your obligations and eligibility for establishing and maintaining an HSA.
