### **2011 Preferred Drug List**

CareSource implemented a revised Preferred Drug List (PDL) effective June 1, 2011. As a reminder, Dispense as Written (DAW) prescriptions now require prior authorization approval from CareSource.

The detailed PDL is available on our website at [www.caresource.com](http://www.caresource.com) or you can download it free to your PDA from [www.ePocrates.com](http://www.ePocrates.com).

CareSource members are being notified of these changes. Throughout this transition, member care will be managed to ensure that medication needs are met.

If you have questions, please call 1-800-390-7102 and select the option for providers, then Pharmacy.
