Subject: Prefix on claim numbers listed on Explanation of Payment

As part of our ongoing commitment to timely and clearly articulated communication of policy or process changes, the information listed below supplements current policies to include those listed in the CareSource Provider Manual.

As a result of a recent CareSource software application change, Michigan providers will notice an "M" prefix on claim numbers listed on the Explanation of Payment (EOP) for claims originally processed prior to 4/9/2010. The "M" will replace the "0" or "1" in the first position of the 12-digit claim number for all Michigan claim history prior to 4/9/2010.
