

Network Notification

Date: July 27, 2011

Number: MI-P-2011-08a

To: Michigan Providers

From: CareSource

Subject: Update – CareSource Plan for 5010 Transition

Effective: January 1, 2012

Effective January 1, 2012, CareSource will comply with federal regulations and discontinue acceptance of 4010 transactions.

Transactions covered under the 5010 requirements

- 837 Claims Encounters
- 276/277 Claim Status Inquiry
- 835 Electronic Remittance Advice
- 270/271 Eligibility
- 278 Prior Authorization Requests
- 834 Enrollment
- 820 Payment Order / Remittance Advice
- NCPDP Version D

CareSource is currently testing for Level 2 compliance for 5010. Providers or their designated Clearinghouse(s) should be planning to test with CareSource. If you're not sure if your Clearinghouse has been planning to test with CareSource, or if you would like to submit a test for 5010 transactions, please email 5010testing@caresource.com.

Visit the [claims section](#) of our website for more details on the transition to 5010.
