

## MARKETPLACE PLAN

# Kentucky *Medicine List*

# **CareSource Medicine List: December 2018**

## **Your guide to best-cost options**

CareSource provides your prescription benefits. We understand benefits can be confusing and sometimes costly. To help, we have created a list of medicines used to treat common health conditions. This list is your guide to best-cost options. The medicines are best-cost options because they can provide the same health benefits as more expensive medicines, but cost less. Many conditions have treatment options that vary in cost. This list can make it easier for you and your doctor to choose effective, lower-cost medicines first.

## **Prior Authorizations**

CareSource may require health partners to send us information about why a drug or a certain amount is needed. This is called a prior authorization request. CareSource must approve the request before a member can get the drug. The abbreviation "PA" is used in the PDL to show that a prior authorization is needed.

Here are some reasons for a prior authorization:

- A generic or alternative drug is available.
- The drug can be misused or abused.
- There are other drugs that must be tried first.

## **Prior Authorization Requests**

Health care partners may make prior authorization requests by phone or fax. Please call **1-855-852-5558** and follow the prompts, or fax to 1-866-930-0019.

If we receive the request before 5 p.m. on Friday, we will give a decision within 24 hours. It may take longer than 24 hours for requests received on weekends and most holidays. We may not approve a prior authorization request for a drug. If we don't, we will send the member information about how to appeal our decision.

If we receive the request before 5 p.m. on Friday, we will give a decision within 24 hours. It may take longer than 24 hours for requests received on weekends and most holidays. We may not approve a prior authorization request for a drug. If we don't, we will send the member information about how to appeal our decision.

## **Quantity Limits on Opioid Analgesics**

Therapy with opioid analgesics may have quantity limits based on drug makers' recommended dosing frequencies and/or state regulations. For specific opioid analgesic therapy requirements for your plan, please do the following.

- Providers - visit the Pharmacy page. The information is listed under Quantity Limits.
- Members - visit the Pharmacy page, then click on Preferred Drug List. The information is listed under Quantity Limits.

## **Tell Us the Medical Reasons for Exceptions**

Sometimes a member may have a drug allergy or intolerance. Or, a certain drug may not be effective for a member. In these cases, the member or the member's representative may ask for an exception to a drug listed on the PDL. The member or member's representative must call Member Services to make the request. To reach Member Services, call 1-888-815-6446 (TTY: 1-800-648-6056 or 711), Monday through Friday, 7a.m. to 7 p.m. Eastern Standard Time (EST).

CareSource then contacts the appropriate health partner. CareSource may ask the health partner to provide written clinical documentation about why the member needs an exception. Health partners must provide this information.

CareSource will provide a decision no later than 72 hours after the request is received. If the member is suffering from a serious health condition, CareSource will provide a decision within 24 hours. As part of the process, CareSource will consider whether the requested drug is clinically appropriate.

Typically, our PDL includes more than one drug for treating a condition. These medicines are called "alternative" drugs. CareSource will generally not approve the request for an exception if an alternative drug would be just as effective as the drug requested and would not cause other health problems.

## **Using the List**

Use the list to check if your current medicines are best-cost options. If not, ask your doctor if a medicine on the list is right for you. Also, take the list with you each time you or your family visits a doctor.

**PLEASE NOTE:** This list is a guide to medicines used to treat common conditions only. It does not include all the medicines covered by your benefit plan. For a complete and updated list, visit [CareSource.com/marketplace/KY](http://CareSource.com/marketplace/KY) or call the toll-free number on the back of your benefit ID card.

## **CareSource Online Formulary Search Tools Available**

CareSource has easy-to-use online drug formulary tools that can help you save time by quickly looking up medications to make sure they are covered by CareSource. Also, you can check for generic alternatives, prior authorization requirements, and any restrictions or limits that may apply. To start using the tool, visit [CareSource.com](http://CareSource.com), and visit the Pharmacy page of the appropriate line of business, and select Formulary Search Tool. You can also find CareSource policies on [CareSource.com](http://CareSource.com) Health Partner Policies page.

## **About the List: Medicines are grouped into 2 parts**

**Part 1 – Medicine List, sorted by which body system or condition they treat, and Part 2 – Index, sorted by the alphabet, for quick reference.**

- Most of the medicines are generics. Consider generics first. They are safe, effective and generally lowest cost.
- Generic medicines are in lowercase italics. For example, diclofenac.
- All generics available may not be listed. Generics not listed are still usually your best-cost option and should be considered first.
- If NO generic is available, the most effective and cost-effective brand-name medicine(s) are listed. They should be tried before other, higher-cost brand names.
- Brand-name medicines are listed in all CAPs. For example, ENBREL.
- The list can change at any time as new medicines come out and older medicines are available as generics. If a brand name becomes available as a generic, the brand name will no longer be considered a best-cost option. The generic version of that medicine will instead.
- Your actual plan may not cover certain treatments, even if they are on this list.

## **About Generics**

Today, there are many generic medicines to treat short and long-term conditions. It makes sense to try them because for most, they work just as well as higher-priced, brand-name medicines but cost less. Why pay more than you have to, to stay healthy? Are you still unsure if generics are right for you? Consider these facts:

- Lower cost does not mean lower quality. The U.S. Food and Drug Administration (FDA) requires generics to have the same high quality, strength, purity and stability as brand-name medicines.
- The research, development and advertising of new medicines cost a lot of money. Generics are lower cost because companies that make them don't have to start from scratch. They then pass the savings on to you, the consumer.
- All generics must meet the same FDA standards as brand names. Generic medicine has the same active ingredients and must perform the same as the brandname.

## **Part 1 – Medicine List**

### **Medicines by body system or condition they commonly treat**

Your best-cost options are listed below by body system or condition they commonly treat. Some medicines may be used to treat other conditions. The list is divided into three columns:

- Column 1 is the medicine name. Remember, generics are in lowercase italics and should be considered first.

- Column 2 is the medicine's cost-sharing tier. Cost-sharing is the copay (coinsurance) amount you have to pay out-of-pocket for the medicine. The tiers are 0, 1, 2, 3, 4 and 5. In general, the copay amount increases as the tier number increase. Tier number 1 has the lowest copay amounts and tier number 5 has the highest. Some benefit plans do not have a fifth tier (such as Federal Simple Choice plans), and anything listed as a tier 5 drug will process under the tier 4 price structure. Visit CareSource.com/marketplace or call Member Services at the toll-free number on the back of your ID card to learn about your exact copay amounts.
- Column 3 lists the requirements or limits CareSource has for the medicine. Please review the Legend at the bottom of each page to learn about each requirement or limit.

### **Legend: Requirements & Limits**

<b>OTC</b>	<b>Over the Counter</b>	OTC medicines are nonprescription products that are not usually covered by a prescription benefit plan. CareSource pays for certain OTC medicines, but your cost may differ among them.
<b>PA</b>	<b>Prior Authorization</b>	CareSource needs your doctor to submit and get prior approval or authorization for medicine. This means that you need to get approval from CareSource before you fill your prescriptions. If you don't get approval, CareSource may not cover the medicine.
<b>QL</b>	<b>Quantity Limits</b>	CareSource limits the amount of the medicine that it will cover. For example, CareSource provides two inhalers per prescription for Combivent Respimat. This may be in addition to a standard 1-month or 3-month supply.
<b>ST</b>	<b>Step Therapy</b>	CareSource needs you to try certain medicines as the first step to treat your health condition before covering another medicine for that condition. For example, if Medicine A and Medicine B both treat your condition, CareSource may not cover B unless you try A first. If A does not work for you, CareSource will then cover B.
<b>HRM</b>	<b>High Risk Medicines</b>	Medicine may not be appropriate for persons ages 65 and older. CareSource needs your doctor to submit and get prior approval or authorization for medicine. This means you need to get approval from CareSource before you fill your prescription. If you don't get approval, CareSource may not cover the medicine.
<b>PA**</b>	<b>PA Applies if Step is Not Met</b>	CareSource needs you to follow step therapy rule above. But if it is not, CareSource needs your doctor to submit and get prior approval or authorization for the medicine as explained by the prior authorization rule.

## **Abbreviations**

ACE = angiotensin-converting-enzyme inhibitor  
AER = aerosol  
ARB = angiotensin receptor blocker  
CCB = calcium channel blocker  
COMBOS = combinations  
CONC = concentrate  
COPD = chronic obstructive pulmonary disease  
CREA = cream  
INHA = inhalation  
LA = long-acting  
LOTN = lotion  
NSAIDS = nonsteroidal anti-inflammatory drugs  
OINT = ointment  
SOLN = solution SUPP = suppository  
SUSP = suspension  
TB24 = 24 hour controlled-release tablet  
TABS = tablets  
TBCR = controlled-release tablets  
TBEC = enteric-coated tablet  
TBSO = soluble tablets

## **Part 2 – Index (medicines listed alphabetically for quick reference)**

You can locate your best-cost options in the Index. Generic and brand names are listed together by the first letter of the medicine name. This list can help you find a medicine if you are unsure what body system or condition to look under. If you are unable to find your current medicine OR if it is not on this list, visit [CareSource.com/marketplace/KY](http://CareSource.com/marketplace/KY) or call the Member Services number on the back of your ID card.

## Notice of Non-Discrimination

CareSource complies with applicable state and federal civil rights laws and does not discriminate on the basis of age, gender, gender identity, color, race, disability, national origin, marital status, sexual preference, religious affiliation, health status, or public assistance status. CareSource does not exclude people or treat them differently because of age, gender, gender identity, color, race, disability, national origin, marital status, sexual preference, religious affiliation, health status, or public assistance status.

CareSource provides free aids and services to people with disabilities to communicate effectively with us, such as: (1) qualified sign language interpreters, and (2) written information in other formats (large print, audio, accessible electronic formats, other formats). In addition, CareSource provides free language services to people whose primary language is not English, such as: (1) qualified interpreters, and (2) information written in other languages. If you need these services, please call the member services number on your member ID card.

If you believe that CareSource has failed to provide the above mentioned services to you or discriminated in another way on the basis of age, gender, gender identity, color, race, disability, national origin, marital status, sexual preference, religious affiliation, health status, or public assistance status, you may file a grievance, with:

CareSource  
Attn: Civil Rights Coordinator  
P.O. Box 1947, Dayton, Ohio 45401  
1-844-539-1732, TTY: 711  
Fax: 1-844-417-6254

[CivilRightsCoordinator@CareSource.com](mailto:CivilRightsCoordinator@CareSource.com)

You can file a grievance by mail, fax, or email. If you need help filing a grievance, the Civil Rights Coordinator is available to help you.

You may also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights, electronically through the Office of Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at:

U.S. Department of Health and Human Services  
200 Independence Avenue, SW Room 509F  
HHH Building Washington, D.C. 20201  
1-800-368-1019, 800-537-7697 (TDD)

Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>.
