Notice Date: March 14, 2023
To: All D-SNP and Ohio MyCare Providers
From: CareSource
Subject: Dual Special Needs Plan (D-SNP) and MyCare Model of Care Training

Summary

Annually, CareSource® asks that providers serving D-SNP and Ohio MyCare members complete the Model of Care (MOC) Training required by the Centers for Medicare & Medicaid Services (CMS). CareSource provides this training on our website.

- Go to CareSource.com > [Training & Events](#) page.
- Select Dual Special Needs and choose your state or choose MyCare (OH).
- Click on the 2023 CareSource D-SNP or MyCare [Provider Model of Care Training](#) to complete the training.

Providers are required by CMS to attest to completing the annual Model of Care training. Please complete the Attestation Form located at the end of the training presentation to receive credit for completing the Model of Care training. Providers participating in both D-SNP and MyCare plans only need to attest to the training one time.

Importance

CMS requires that the attestation must be completed once within a 365-day period.
