HAP CareSource

2024 Pharmacy Directory

Introduction

This booklet provides a list of HAP CareSource's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Member Handbook and HAP CareSource's preferred drug list, also known as a formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered by HAP CareSource only if they are filled at a network pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any network pharmacy. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Member Handbook.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed.

HAP CareSource Network Pharmacies

To find a network pharmacy, follow these steps:

1. Identify "Pharmacy Type" (Retail, Home Infusion, Long Term Care, I/T/U);
2. Search and find "Pharmacy Type" section;
3. Search and find a pharmacy by "Pharmacy Name" (in alphabetical order).
