# SAVING MONEY ON HEALTH INSURANCE

Marketplace plans are the only plans that qualify for government-sponsored funds that help bring down the overall cost of a plan. APTC and CSR (see below) are calculated by the Health Insurance Marketplace when you submit your household size and income information during the shopping and enrollment process at [Enroll.CareSource.com](https://www.enroll.caresource.com). If you qualify, you can save money on your premium, and each time you get medical services. So, consider the total cost of your medical care when you pick a plan. Your total costs include your monthly premium and the costs when you get care. There are two ways the APTC and CSR are distributed:

## **Advance Premium Tax Credit (APTC)**

You can take all or part of this tax credit to lower your monthly premium payments. If you don't take it all, you can use it at tax time. No matter what plan you enroll in, you can use this tax credit.

## **Cost-Sharing Reduction (CSR)**

CSRs lower the amount you pay for deductibles, copayments and coinsurance. CSRs only apply to Silver plans, so if you qualify for CSRs, you must enroll in a Silver plan to get them.#

There's a lot of noise around health insurance these days. It can be difficult to know what's true about your coverage and what really matters. At CareSource, we've seen it all. We've been around since 1989, and we provide health coverage to over 2 million members.\* We've been helping Marketplace insurance shoppers in the Mountain State since 2016, and *we never quit*. CareSource coverage is here when you need it.

# SHOPPING FOR A PLAN?

Here are some basics to know if you're shopping for an individual or family health insurance plan. CareSource Marketplace plans are Affordable Care Act (ACA)-compliant, which means they are guaranteed to provide all the Essential Health Benefits required by the ACA. These benefits include:

**Ambulatory patient care** (*outpatient care you get without being admitted to a hospital*)

**Emergency services**

**Hospitalization** (*like surgery and overnight stays*)

**Pregnancy, maternity and newborn care** (*both before and after birth*)

**Mental health and substance use disorder services, including treatment** (*this includes counseling and psychotherapy*)

**Prescription drug coverage**

**Rehabilitative and habilitative services and devices** (*to help people with injuries, disabilities, or chronic conditions gain or recover mental and physical skills*)

**Laboratory services**

**Preventive and wellness services**

**Chronic disease management**

**Pediatric services, including dental and vision care** (*but adult dental and vision coverage aren't classified as essential health benefits*)

**Birth control coverage**

**Breastfeeding coverage**

## Marketplace-qualified plans also have **pre-existing condition coverage and no lifetime or yearly dollar limits for essential health benefits.**

Individual and family health plans that aren't Marketplace-qualified may not provide coverage for all of these items, so to make sure you're getting coverage for all services, purchase a Marketplace-qualified health plan.

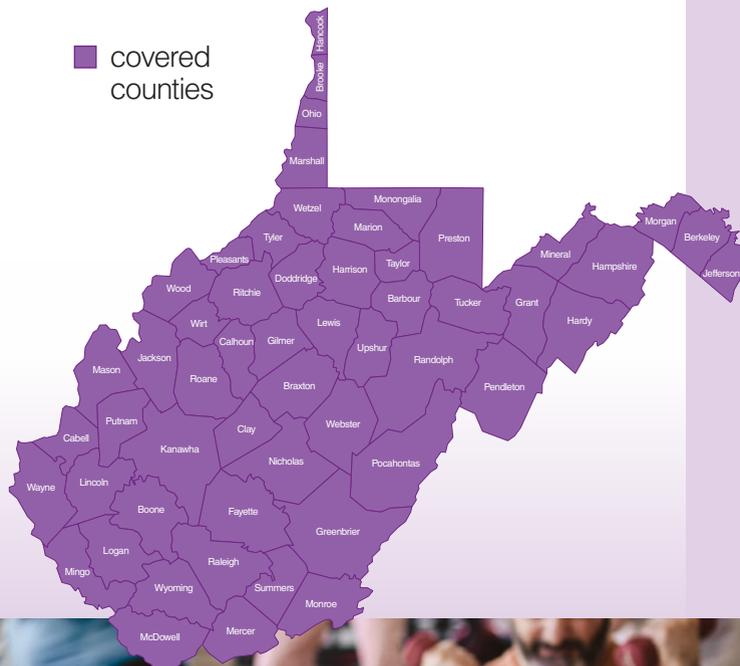

CareSource's Marketplace-qualified Dental, Vision and Fitness plans cover more than the essential health benefits. They offer adult dental through DentaQuest®, adult vision through EyeMed®, and a fitness program with access to multiple fitness centers and a home fitness kit. Our plans are comprehensive. There are no lifetime maximums for most benefits, no medical review for enrollment and we cover an extensive list of prescription drugs. CareSource is now offering Marketplace members \$0 copay telehealth visits via Teladoc® with 24/7 access to U.S.-licensed physicians who can consult, diagnose and prescribe medications by phone or video for short-term illnesses, medical concerns and behavioral health issues.

# DENTAL, VISION AND FITNESS

Our Dental, Vision and Fitness add these benefits to our Gold, Silver and Bronze plans for adults. If you choose a Dental, Vision and Fitness plan, you pay one premium for your coverage. Plus, CareSource Dental, Vision and Fitness plans include the Active&Fit® fitness program, which gives you access to multiple fitness centers and gyms, digital fitness choices and home fitness tools. You also get one home fitness kit, with some kits including a wearable device (e.g., Fitbit® or Garmin®), digital workouts and live lifestyle coaching.
