Subject: Ambulance Overpayments and Incorrect Payments Recovery Notice

As CareSource continues to improve its operations, there will be situations when an overpayment or incorrect payment is identified.

If, as a result of an operational improvement effort, CareSource determines an overpayment or incorrect payment, then CareSource will provide a minimum of thirty (30) days' notice of the recovery.

For ambulance services, CareSource will initiative a recovery for transportation of portable X-ray equipment (codes R0075 and R0070) which were overpaid when submitted with a modifier but processed without reducing the reimbursement according to the modifier.
