

At CareSource PASSE, we care about you. We know that there is more to health and well-being than just great health care. That's why our benefits go beyond basic care. This list has all of the covered care and services* you have as a CareSource PASSE member. Use it to put your benefits to work for you! You can find more information about the covered care and services in this list in your member handbook. View the member handbook at CareSourcePASSE.com under the plans tab.

**Prior authorization may be needed for some of these services. Prior authorization means that CareSource PASSE must approve the service before you receive it. Your provider will get the approval from CareSource PASSE. Some of these benefits may have coverage limits or requirements like medical necessity.*
