

# NETWORK *Notification*

**Notice Date:** August 15, 2022  
**To:** CareSource PASSE™ Providers  
**From:** CareSource PASSE™  
**Subject:** Billing Update Re: Multiple Outpatient Claims  
**Effective Date:** October 14, 2022

---

## Summary

Starting on October 14, per the CareSource PASSE™ Provider Manual and the CMS Claims Processing Manual, Bill Type 0131 should represent all services rendered during the outpatient stay for a given patient.

## Impact

CareSource PASSE will deny outpatient claims with Bill Type 0131 that occur after another outpatient claim with 0131 has already been billed for the same patient, by the same facility, and for the same dates of service. Outpatient corrected claims should be billed with Bill Type 0137 or Bill Type 0138.

## Questions?

Please contact Provider Services at **1-833-230-2100** with any questions. Hours of operation are Monday through Friday from 8 a.m. to 5 p.m. Central Time (CT).

## New Training Available - Access and Availability overview!

“Assignment” and “attribution” are terms that refer to the association between members and providers, but they are not interchangeable. CareSource PASSE has prepared a summary document to define these terms and describe the attribution process. Visit **CareSource.com** > Providers > Education > [Training and Events](#) to view this flier.
