

NETWORK *Notification*

Notice Date: November 3, 2022
To: CareSource PASSE Providers
From: CareSource PASSE
Subject: Electronic Visit Verification (EVV) Billing

Summary

Effective Dec. 1, 2022, the following codes must be submitted to CareSource PASSE™ through CareBridge Electronic Visit Verification (EVV):

- | | |
|------------------------------|---------|
| • Attendant Care | S5125U2 |
| • Personal Care 21 and Over | T1019U3 |
| • Personal Care 21 and Under | T1019 |
| • Respite | S5150 |

Impact & Importance

To avoid claim suspension and payment delays, complete the onboarding with CareBridge or with a third party EVV vendor that communicates with CareBridge prior to Dec. 1, 2022. CareBridge supports a wide array of aggregation possibilities, meaning that if you currently have an existing 21st Century Act-compliant EVV system or vendor, CareBridge can work with that EVV vendor/system. CareBridge will send the data to the necessary parties on your behalf at no cost to providers.

Questions?

Please visit the [CareBridge website](#) for more information about EVV. Providers can also call or email CareBridge for additional support.

- Phone: **1-844-922-2584**
- Email: arevv@carebridgehealth.com
- Data Integration Support (for providers using a third party EVV):
