

# NETWORK *Notification*

**Notice Date:** March 2, 2026  
**To:** Arkansas Medicaid Providers  
**From:** CareSource PASSE  
**Subject:** Launch of HealthPlanResources.com  
**Effective Date:** March 1, 2026

---

## **Summary**

We know your time is valuable. To help improve access and understanding, we have developed a provider-facing Learning Management System (LMS) called [HealthPlanResources.com](https://www.healthplanresources.com).

## **Impact**

[HealthPlanResources.com](https://www.healthplanresources.com) consolidates all provider education resources and opportunities in a single location. Future live training schedules, registration and our on-demand education library will appear in the LMS in addition to the CareSource PASSE Training and Events page.

## **Importance**

Practice managers may track, complete and attest to training completion on behalf of their group, ensuring that all annual training requirements are successfully met.

## **Questions?**

Visit [Training and Events](#) webpage to view upcoming events, site registration and access instructions.
