Notice Date: November 15, 2021
To: CareSource PASSE Providers
From: CareSource
Subject: Electronic Visit Verification

Summary

CareSource would like to remind providers about the state-required use of Electronic Visit Verification (EVV) for all Medicaid-funded personal care services (PCS) (beginning January 1, 2020) and home health services (HHCS) (beginning January 1, 2023).

Please visit our [Electronic Visit Verification](#) web page for more information about the 21st Century Cures Act as well as coding and rates available through our EVV vendor, CareBridge.

CareSource PASSE will be utilizing [CareBridge](#) as our EVV vendor.

Impact

Personal care providers are required to implement EVV as part of the PASSE program.
