Subject: CareSource Dental Provider Updates

CareSource is excited to announce these upcoming additional Dental Provider resources:

- Dental Handbook – a new version of the dental handbook will be available on our website in the first quarter of 2015. The dental handbook is intended to be a great resource for you and a helpful link between your office and CareSource.
 - NOTE to CareSource Just4Me™ Dental Providers – A [Dental Quick Reference Guide](#) is available now at the [Ohio Just4Me Provider Resource page](#). Please refer to this guide as a resource for information.
- Updated orthodontic policy – a new orthodontic policy will be available mid-February.
- Educational video – CareSource is putting together an educational video about our updated orthodontic policy. The educational video will also be available in the first quarter of 2015.
- REMINDER: All radiographs, submitted to CareSource for review, shall be of diagnostic quality, clearly focused, clearly readable, free from defect for the area of the mouth on which the radiograph was performed and properly mounted.

CareSource routinely posts updates and useful resources for our providers at our website. Please make a point of regularly checking the [Provider information at CareSource.com](#).

Provider Services can always be reached at 1-800-488-0134 to answer your questions.
