

## ***Network Notification***

---

**Date:** January 29, 2016

**To:** Ohio Health Partners

**From:** CareSource®

**Subject:** CareSource is Extending the Deadline to Implement New Guidelines for EPSDT Claims Submissions

---

In a Network Notification released December 31, 2015, entitled "Healthchek (EPSDT) Claims Processing Guidelines," CareSource indicated that new guidelines for claims submissions with EPSDT referrals indicators would go into effect for claims received after January 31, 2016.

**CareSource is extending this date, and we will announce the new effective date in a future Network Notification.** Additionally, CareSource will send further clarifying communications over the next few weeks to ensure all our health partners have ample time to understand and implement any needed changes in claims submission guidelines.
