Our Mission

To make a lasting difference in our members' lives by improving their health and well-being.

At CareSource, our mission is one we take to heart. In fact, we call our mission our "heartbeat." It is the essence of our company, and our unwavering dedication to it is a hallmark of our success.

Our Vision

Transforming lives through innovative health and life services.

Story

Since 2006, the CareSource Foundation has awarded over 1,600 grants to nonprofits who are working to eliminate poverty, provide much-needed services to low-and moderate-income families, encourage healthy communities, develop innovative approaches to address critical health issues and enhance the lives of a diverse array of children, adults and families. We are so proud of our partnerships and ultimately, of the impact we are able to make together.

Values Statement

The Foundation believes in people, organizations and initiatives that actively work to improve the physical health and well-being of individuals residing in the CareSource service areas. We believe that passion, knowledge and vision create positive, long-lasting change, and that meaningful collaboration creates strong partnerships with grantees.

Services

The CareSource Foundation provides Responsive Grants to nonprofit organizations who impact children, adults and families in areas that mirror the social determinants of health. Those include:

- Collaborative partnerships to address critical health trends and build strong communities
- Create economic stability and eliminate poverty
- Domestic violence/child abuse
- Employment and job skills
- Food Access
- Health disparities
- Healthy birth outcomes
- Mental and behavioral health
- Safe and affordable housing
