Subject: CareSource's Marketplace Plans No Longer Called "CareSource Just4Me"

Effective Jan. 1, 2017, CareSource's plans for sale on the Health Insurance Marketplace will no longer be branded as CareSource Just4Me™. We pride ourselves on helping our members understand and access their health insurance services. By removing the Just4Me name, our goal is to make it easier for shoppers in the Health Insurance Marketplace to understand what our plans are and what they cover.

For more information about the Health Insurance Marketplace, please visit our [FAQs page](#).

To ensure that our Marketplace plan members have a seamless transition into 2017, we ask for your help:

1. Communicate this change to your office staff and patients.
2. Continue to verify a member's eligibility before every service.
3. Dispose of CareSource plan materials that refer to CareSource Just4Me. We will be happy to provide updated materials. Just contact your CareSource Health Partner Engagement specialist to request more.
