Re: CHANGE TO CARESOURCE PREFERRED DRUG LIST

Dear CareSource Member:

Your health care is our priority. That is why we are writing to tell you that on October 1, 2017, CareSource will change its Preferred Drug List (PDL). A PDL is the list of drugs that we prefer your doctor prescribe for you.

The following medicines will be preferred on the CareSource PDL on October 1, 2017:

- **Atomoxetine capsule 10 mg, 18 mg, 25 mg, 40 mg, 60 mg, 80 mg, 100 mg**

The following medicines will be non-preferred on the CareSource PDL on October 1, 2017:

- **Lartruvo 190 mg/19 mL, 500 mg/50 mL – Medical benefit only with prior authorization**
- **Neulasta 6 mg/0.6 mL syringe**
- **Rubraca 200 mg, 250 mg, 300 mg**
- **Soliqua 100 units-33 mcg/mL**
- **Spinraza 12 mg/5 mL – Medical benefit only with prior authorization**

What should you do?

First, talk to your doctor. There may be other medicines on the CareSource PDL that you can take instead. There are a few ways you and your doctor can find medicines:

- **You can look on our website at CareSource.com. Go to the Pharmacy page and click on “Preferred Drug List”.**
- **Or, you can call our Member Services Department at 1-855-202-0729, (TTY 1-855-255-0056 711).**

We are here to help you. The CareSource Member Services Department is open Monday through Friday, 7 a.m. to 7 p.m.

Sincerely,

CareSource Pharmacy Department
