

We follow all state and federal civil rights laws. We do not discriminate, exclude, or treat people differently based on race, color, national origin, disability, age, religion, sex (which includes pregnancy, gender, gender identity, sexual preference, and sexual orientation), or based on marital, health, or public assistance status. We want all people to have a fair and just chance to be as healthy as they can be.

We offer free aids, services, and reasonable modifications if you have a disability. We can get a sign language interpreter. This helps you talk with us or to your providers. Get your printed materials in large print, audio, or braille at no cost. We can also help if you speak a language other than English. We can get an interpreter who speaks your language. Or get printed materials in your language. You can get this all at no cost to you.

Call **1-833-230-2080** (TTY: 711) if you need any of this help. We are open Monday through Friday, 8 a.m. to 6 p.m. We are here for you.

You may file a grievance if we did not provide these services to you or if you think we discriminated in any other way.
