

Network Notification

Notice Date: October 15, 2025
To: TRICARE Prime Demo Providers
From: CareSource Military & Veterans
Subject: Launch of HealthPlanResources.com
Effective Date: October 15, 2025

Summary

We know your time is valuable. To help improve access and understanding, we have developed a provider-facing Learning Management System (LMS), called HealthPlanResources.com.

Impact

HealthPlanResources.com consolidates all provider education resources and opportunities in a single location. Future live training schedules and registration will appear in the LMS as well as access to our on-demand education library.

Importance

Practice Managers may track, complete and attest to training completion on behalf of their group; ensuring that all annual training requirements are successfully met.
