We notified members affected by this change. We encouraged members to discuss alternative medications with their providers.

On request, we can send a list of your HAP CareSource members with changes. Please email PharmacyConversionProgram@CareSource.com. Include medication names and your secure fax number in the request. We will fax your list of patients prescribed these medications.

Go to [Drug Formulary | Michigan – HAP CareSource | CareSource](#) for the complete drug list and other related resources, such as our procedure code lookup tool (PLT) found in the left margin; the PLT offers further medical drug information. Printed copies are available upon request.

We appreciate your efforts in transitioning members who may be impacted by HAP CareSource Medicaid drug list changes. If you have questions, please contact HAP CareSource Provider Services at **1-833-230-2102**, Monday through Friday, 7 a.m. to 8 p.m. Eastern Time (ET).

Sincerely,

HAP CareSource
