

# Electronic Funds Transfer

**Enroll now in Electronic Funds Transfer (EFT) for another tool to help you work more efficiently with CareSource®.**

## QUESTIONS?

Call InstaMed at 215-789-3682, or call CareSource Provider Services at 1-855-202-1058.

## HOW EFT BENEFITS HEALTH PARTNERS:

- **Simple** – Eliminate paper checks and EOPs, which will increase efficiency with payment processing.
- **Convenient** – Electronic Remittance Advice (ERAs) available 24/7; works in conjunction with EMR systems. In addition, CareSource offers free training for health partners.
- **Reliable** – Claim payments electronically deposited into your bank account.
- **Secure** – Access your account through CareSource's secure Provider Portal to view (and print) remittances and transaction details

## HOW TO ENROLL IN EFT:

Getting started is easy – there's no software to install and no system changes!

- Complete the EFT enrollment form located on **CareSource.com** in the Claims section or the Provider Portal. You will be contacted by our EFT partner, InstaMed.
- InstaMed is an industry-leading health care payments company with extensive experience in EDI and payment processing.
- InstaMed will work directly with health partners to enroll in the EFT process.
- Health partners who enroll will see their first electronic payments within seven business days for clean claims.
