# OUR VISION

Transforming lives through  
innovative health and life services.

It's not just about making a change.  
It's about making a ***difference***.

# We got **you**.

All essential health benefits covered.

Coverage for pre-existing conditions.

No annual or lifetime dollar limits for essential health benefits.

Preventive services covered at no cost.

# Saving Money On Health Insurance

The majority of CareSource Marketplace members qualify for subsidies\* that help bring down the total cost of a Marketplace insurance plan.

## COST-SHARING REDUCTION (CSR)

Extra savings on out-of-pocket costs that lower the amount owed for any deductible, copayments and coinsurance. CSRs only apply to Silver plans<sup>#</sup>, so if you qualify for a CSR, you must enroll in a Silver plan in the Marketplace to get it.

## ADVANCE PREMIUM TAX CREDIT (APTC)

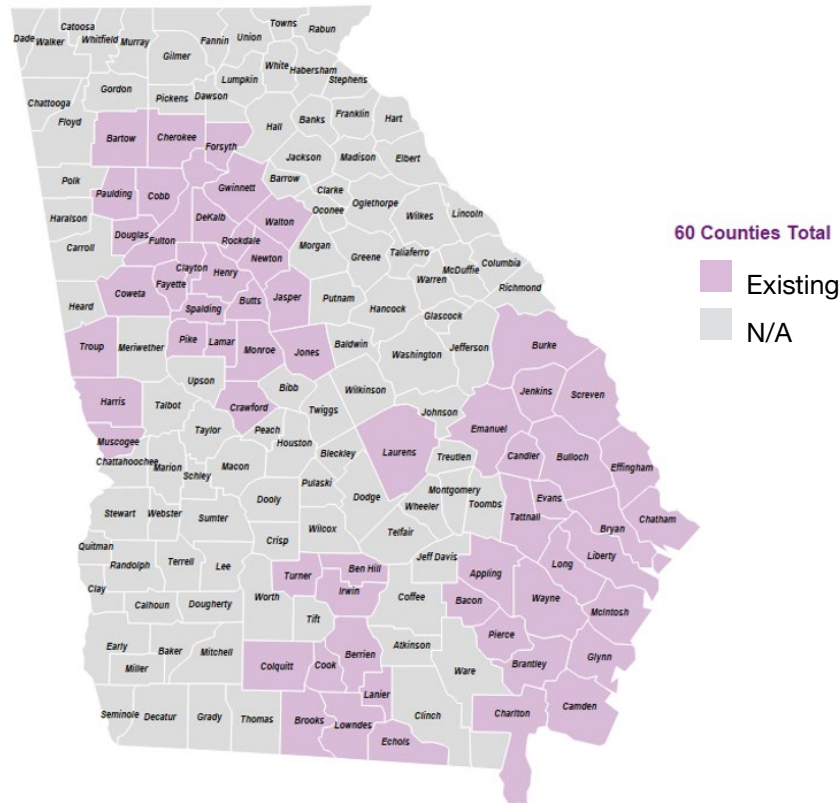

Take all or part of this tax credit in advance to lower your monthly premium payments. This can be used no matter which metal level plan (Gold, Silver, Bronze) you enroll in.

*\*Based on CareSource Marketplace membership as of August 2023. Eligibility for subsidies is determined by the Health Insurance Marketplace, not CareSource.*

*<sup>#</sup>CSRs are also applicable on Limited and Zero plans, available only to members of federally-recognized tribes and ANCSA corporation shareholders.*

# Consider This...

## It is easy to underestimate how much medical care can cost:

- A broken leg can cost up to **\$7,500** to treat.
- The average cost of a three-day hospital stay is around **\$30,000**.
- Comprehensive cancer care can cost hundreds of thousands of dollars.

*Having health coverage can help protect you from high, unexpected costs like these.*
