YOU'RE EXPECTING, WE'RE SUPPORTING

Get free health
support during and
after your pregnancy

Hey CareSource Georgia Mom-to-Be,
Johnson & Johnson is giving you **FREE** access to pregnancy
support through BabyLiveAdvice — helping you have a safe and
healthy pregnancy.

Your access to BabyLiveAdvice includes:

Virtual 1:1 consultations

with local nurses, dietitians and lactation specialists. They will meet with you throughout your pregnancy and after you have the baby. Meetings can be evenings and weekends.

Live support and educational group classes

gives a feeling of community and prepares you for birth, breastfeeding and infant care.
