Georgia Families® - New Plan Year

The Georgia Department of Community Health (DCH) has announced that the new plan year for the Georgia Families® program will begin on July 1, 2017. Georgia Families® is the program which provides health care services for Medicaid and PeachCare for Kids® members and Planning for Healthy Babies® (P4HB) enrollees through Care Management Organizations (CMOs). The CMOs serving the Georgia Families members in the new plan year are Amerigroup, CareSource, Peach State, and WellCare.

Open Enrollment for the new Georgia Families® plan year will be held from March 1 – March 31, 2017. All Medicaid and PeachCare for Kids® members and P4HB enrollees covered under the Georgia Families® program MUST re-enroll during Open Enrollment and will be able to choose their CMO at that time. Members who DO NOT choose a CMO will be auto-assigned to a CMO.
