

# NETWORK *Notification*

**Notice Date:** April 29, 2022  
**To:** CareSource Providers  
**From:** CareSource  
**Subject:** Billing Updates: Chiropractic Unbundling and Duplicate Anesthesia

---

## Summary

On April 4, 2022, CareSource, in alignment with Medicaid and Medicare NCCI Coding Policy Manuals, will deny the following claim lines:

- NCCI bundling relationships between spinal and chiropractic manipulation and certain physical medicine procedures performed in the same anatomic region when they are overridden

Chiropractic Manipulative Treatment (CMT) physical medicine and rehabilitation services described by CPT codes **97112**, **97124** and **97140** are not separately reportable when performed in a spinal region undergoing CMT, per Medicaid and Medicare NCCI guidelines. Physical medicine and rehabilitation services performed in the same spinal region as CMT will be denied.
