

NETWORK *Notification*

Notice Date: May 11, 2022
To: Georgia Medicaid Providers
From: CareSource
Subject: Member Redetermination Reminder

Summary

The Georgia Department of Community Health (DCH) would like for provider office staff to remind members about updating their addresses upon visits for redetermination purposes.

Providers and staff should remind members to update their address and phone number with the Georgia Division of Family and Children Services (DFCS) office so they can continue to receive the correct benefits and services. Providers and staff can refer members to reach out to their local DFCS office to update this information.

Questions?

Providers and staff can refer members to [CareSource.com](https://www.caresource.com) or to our Member Services Department at 1-855-202-0729 for more information. Please visit the [Georgia DFCS website](#) for more information.
