Subject: Announcing Georgia Pathways to Coverage Program
Effective Date: July 1, 2023

Summary

On July 1, 2023, CareSource will implement the Georgia Pathways to Coverage program.

Georgia Pathways to Coverage is a new program that will give low-income Georgians, who were not previously eligible for Medicaid, a new opportunity to gain access to health care coverage through Medicaid. Georgia residents can apply for the program starting on July 1, 2023.

To be eligible for Georgia Pathways to Coverage, an individual must:

- Be a Georgia resident
- Be a U.S. citizen or legal resident
- Be at least 19 years old and between the ages of 19 and 64
- Be low-income, with a household income up to 100% Federal Poverty Level
- Prove that they are doing one or more qualifying activities for at least 80 hours per month
- Not be eligible for any other category of Medicaid
- Sign the Pathways Contract

Impact

If you are already contracted with CareSource to see Medicaid/PeachCare for Kids® members, you do not need to request a new contract. Georgia Pathways to Coverage members are Medicaid members and should be treated as such. Providers do not have an “opt out” option.
