Notice Date: August 11, 2023
To: Georgia Medicaid Providers
From: CareSource
Subject: **Provider Revalidation – URGENT – Action Required**
Effective Date: September 16, 2023

Summary

Section 6401(a) of the Affordable Care Act (ACA) established a requirement for all enrolled providers and suppliers to revalidate their enrollment information under new enrollment screening criteria. The Georgia Department of Community Health (DCH) and DXC sent letters to providers requiring they revalidate their enrollment within 60 days of the date on the letter.

Effective **Sept. 16, 2023**, DCH will **suspend** those providers who were previously sent revalidation notices but have failed to submit a revalidation application. As noted in the revalidation letter, DCH allowed providers a period of 60 days to revalidate. Those providers who failed to revalidate their enrollment within the 60-day time frame will be suspended from the Georgia Medicaid/PeachCare for Kids program **Sept. 16, 2023**. A suspension letter will be mailed to all impacted providers via certified mail. It is critical that providers ensure that their mail-to-address is correct in the Georgia Medicaid Management Information System (GAMMIS). Providers can review or update their mail-to address information by logging into GAMMIS and clicking on Demographic Maintenance page.

The suspension will apply to providers enrolled in Traditional Fee-for-Service Medicaid and PeachCare for Kids and the Georgia Families and Georgia Families 360° managed care programs. Claims for services to members enrolled in Traditional Fee-for-Service Medicaid and PeachCare for Kids and the Georgia Families and Georgia Families 360° managed care programs for dates of service on or after **Sept. 16, 2023** will not be paid.

Upon successfully revalidating, your suspension will be lifted. However, your effective date will be the date that you revalidated. **Retro-enrollment is not applicable in the instance.** If you fail to revalidate your enrollment within thirty (30) days of receipt of the suspension letter, you will receive a notice of termination from DCH. The notice of termination will outline your appeal rights.

A report of those providers who have not submitted a revalidation application can be found online on the GAMMIS website at <https://www.mmis.georgia.gov/portal/>. Click on Provider Information/Reports for Public Access link. Providers who are on this report who have not submitted a revalidation application by **Sept. 15, 2023**, will be suspended.
