Notice Date: October 21, 2020
To: Georgia Medicaid Providers
From: CareSource
Subject: Health Care Claims Payment/Advice (835) Enhancements

Summary

CareSource is implementing enhancements to the outbound 835 EDI files to better accommodate provider requests and support claims reconciliation. The following data will be added to Explanation of Provider Payment (EPP) and the Outbound 835s providers receive from ECHO Health, Inc. as our provider payment partner: The EPP will now display the Georgia Hospital add-on amount in the claim header, and the AMT*ZO will now be present in the 835 to pass the add on value.
