Notice Date: December 1, 2023
To: Georgia Medicaid and Georgia Pathways Providers
From: CareSource
Subject: CareSource Cardiac and Musculoskeletal Surgical Quality and Safety Management Program in Partnership with TurningPoint
Effective Date: April 1, 2024

Summary

CareSource is pleased to announce the expansion of TurningPoint's Cardiac and Musculoskeletal Surgical Quality and Safety Management Program to our Georgia Medicaid members. The program is currently in effect for CareSource Commercial Marketplace and is designed to work collaboratively with physicians to promote patient safety through the practice of high-quality and cost-effective care for CareSource members undergoing Cardiac and Musculoskeletal Surgical procedures.

Importance

Program highlights include:

- ✓ **Administrative Tools** to support an efficient, user-friendly request process for obtaining medical necessity prior authorizations for procedures which require precertification. Easy and efficient post-procedural documentation submission which will be shared with CareSource to facilitate timely claims payment.
- ✓ **Specialized "Peer-to-Peer" Engagement** where a TurningPoint physician (from the same specialty) engages the provider regarding authorization requests that require additional clinical discussion to validate the clinical appropriateness of the procedure specific to the patient's needs and current condition.
- ✓ **Clinical Support Tools** to assist in the tracking and monitoring of patient outcomes and education around patient risks and preventive measures to better coordinate care for the member and reduce infection rates and complications due to patient comorbidities.
- ✓ **Reporting and Analytics** that give physicians and practice administrators greater visibility and transparency into their performance compared to the practice as a whole, as well as the rest of the market.
- ✓ **FDA Recall Tracking and Monitoring** to facilitate timely and consistent notification to the physician, patient, and to CareSource when a member has received or needs a revision surgery due to a Class I or II FDA device recall.

Impact

Effective March 18, 2024, providers will be able to begin submitting requests to TurningPoint for prior authorization for dates of service on or after April 1, 2024 for the following populations:

- Georgia Medicaid
- PeachCare for Kids
- Georgia Pathways (ages 19-21)
- Georgia Pathways (ages 22-64)

While it is the responsibility of the rendering physician to obtain prior authorization, facility providers are encouraged to contact TurningPoint to verify the prior authorization has been complete for CareSource members prior to admission. Providers (in-network and out-of-network) can view Cardiac Surgical Policies and Guidelines at TurningPoint's website after registration on the [TurningPoint Portal](#).

Prior authorization for medical necessity and appropriate length of stay (when applicable) has been delegated to **TurningPoint Healthcare Solutions, LLC** and will be required for the following surgical procedures in both inpatient and outpatient settings:

Key Provisions

- Emergency-related procedures do not require authorization.
- It is the responsibility of the ordering physician to obtain authorization.
- Providers rendering the above services should verify that the necessary authorization has been obtained; failure to do so may result in non-payment of your claims.

- Clinical policies are available by contacting TurningPoint at 866-422-0800 for access to digital copies.

Training

To help you in this transition, several training windows will be scheduled in March 2024 and all staff responsible for Musculoskeletal Surgical authorizations are encouraged to participate.

Procedure Code Lookup Tool

Effective April 1, 2024, please refer to the Procedure Code Lookup Tool to check whether a service requires prior authorization. All services that require prior authorization from CareSource should be authorized prior to service delivery. CareSource is not able to pay claims for services in which prior authorization is required, but not obtained by the providers.

Appeals

Clinical appeals, claims disputes and claims appeals will continue to be submitted to CareSource. Please refer to the [Claims](#) or [Disputes or Appeals](#) webpages for information. Call TurningPoint's Peer-to-Peer coordination line at 1-800-581-3920 to submit peer-to-peer review requests.
