

NETWORK *Notification*

Notice Date: **October 1, 2020**
To: **Georgia Medicaid Providers**
From: **CareSource**
Subject: **Site of Care for Drug Administration**

Summary

On May 1, 2020 as part of CareSource's monthly Policy Updates, a policy was listed to take effect on July 1, 2020, with regard to site of care drug administration (PAD-0019-GA-MCD). This notice is to inform providers that the policy was not implemented for Georgia Medicaid.

Until further notice, providers should reference the applicable CareSource prior authorization policy for clarification on the appropriate location for drug administration.

Impact

The aforementioned policies governing site of care for infusion services will not be implemented for Georgia Medicaid.

Questions?

If you have questions, please contact Provider Services at **1-855-202-1058**, 7 a.m. to 7 p.m., Monday through Friday.
