Subject: Prior Authorization Requirement Update – **REVISION**
Effective Date: January 1, 2026

This notification is a revision to the [network notification](#) posted earlier on December 1, 2025. Updates are in Addendum A and written in red font.

Notification of prior authorization updates, effective January 1, 2026:

Prior authorization updates, including detailed code-level information, are in **Addendum A** of this notice.

Please note that all non-participating providers and requests for inpatient services require prior authorization. Approval or payment for services may depend on, but are not limited to, the following factors:

- Member eligibility
- Members under 21 years old
- Medical necessity
- Covered benefits
- Modifiers
- Diagnosis and revenue codes
- Limits and number of visit variances
- Provider contracts
- Provider types
- Correct coding and billing practices
