

# NETWORK *Notification*

**Notice Date:** December 1, 2025  
**To:** Georgia Medicaid Providers  
**From:** CareSource  
**Subject:** Routine Vision Vendor Change to EyeMed Starting 2/1/2026

---

**Beginning February 1, 2026**, CareSource will contract with EyeMed® to administer the routine vision benefit on behalf of CareSource for all Georgia Medicaid members. Versant/Superior Vision will no longer administer the routine vision benefit as of this date.

In order to treat CareSource Georgia Medicaid members from February 1, 2026 forward, you will need to contract with EyeMed.

Please note that the medical vision benefit will still be administered by CareSource as it is today. EyeMed will only administer the routine vision benefit.

## Claims

For dates of service on or before January 31, 2026, please continue to submit claims to Versant/Superior Vision. For dates of service February 1, 2026, or later, claims should be submitted to EyeMed.

## Plan Details

The benefit only covers specific lens features, and some items are covered only if medically necessary. Use the EyeMed online claims system to determine the individual member's plan information, benefit coverage, exam frequencies, copays (if applicable) and allowances for frame/lens packages or contact lenses.
