Notice Date: May 7, 2021
To: Georgia Medicaid
From: CareSource
Subject: Quality Enhancer Value Based Reimbursement Program

Summary

We recognize the outstanding work you're doing to improve your patients' health and quality outcomes every day.

Our **Quality Enhancer Program** rewards you for *prioritizing high-value services in your practice*.

Getting Started With Value-Based Reimbursement

The Quality Enhancer Program is a starting point for smaller practices and independent providers to earn rewards for quality in day-to-day operations while building clinical and technological sophistication for higher risk and rewards down the road.

Importance

PROGRAM DETAILS

With the Quality Enhancer Program, you will receive enhanced reimbursement on selected high value services. All you need to do is submit your claim with the appropriate CPT code, trigger code and modifier and you'll earn an immediate payment. We'll help you find quality metric opportunities through gaps in care reporting.

Quality Measures

The Quality Enhancer Program drives high-value services in your practice by focusing on ten target quality measures. Completing services that help meet the following measures will contribute towards your Quality Enhancer payment:

- Well-Child Visits in the First 30 Months of Life
- Child and Adolescent Well-Care Visits 3-21 years
- Developmental Screening in the First Three Years of Life
- Screening for Depression
- HPV Immunization
- Meningococcal Immunization
- Tdap Immunization
- Rotavirus Immunization
- Influenza Immunization
- Breast Cancer Screening
- Chlamydia Screening

*Applies to Georgia Families (Medicaid and PeachCare for Kids) members only

Impact
