Notice Date: October 28, 2021
To: Georgia Medicaid Providers
From: CareSource
Subject: Avalon Provider Education Webinars

Summary

In our Aug. 19, 2021, network notification [CareSource Partnership with Avalon Healthcare for Laboratory Benefit Management](#), we announced our partnership with Avalon Healthcare Solutions (Avalon) on a new laboratory benefit management program for the provision of routine testing management (RTM) services.

Impact

This partnership allows CareSource to achieve consistent application of laboratory policies and automated review of laboratory claims based on industry best practice while also remaining provider- and member-friendly.

Importance

CareSource is inviting you to join us for Provider Education webinars to hear about our new laboratory benefit management program. We are committed to providing information, tools, and education needed to maximize the quality of care you provide. To support you and your clinical staff, CareSource will host two webinars in November, focusing on laboratory benefit management.

Topics for discussion:

- Policy Updates
- Routine Testing Management
- Genetic Testing Management
- Caresource.com updates
- Policy Adherence
- Review of Policy Summaries
- Training: Trial Claim Tool (available on 11/1/2021)
