

# NETWORK *Notification*

**Notice Date:** December 20, 2021  
**To:** Georgia Medicaid Providers  
**From:** CareSource  
**Subject:** Orthotics and Prosthetics Claim  
**Effective Date:** March 1, 2022

---

## Summary

As a continued effort to ensure appropriate claims coding and reimbursement, starting March 1, 2022, CareSource in accordance with the GAMMIS Orthotic and Prosthetic Services Fee Schedule will begin denying claims that are submitted when more than one unit is billed within two years. Please visit the orthotic and prosthetic manual for applicable HPCS codes.

## Impact

The edit will impact providers submitting claims on the 1500 Health Insurance Claim Form that submit a claim line HCPCS codes found within the orthotic and prosthetic manual more than the allowable frequency of 1 in 2 years.

Please visit: [www.mmis.georgia.gov](http://www.mmis.georgia.gov) for the Orthotic and Prosthetic fee schedule.

## Questions?

If you have additional questions, please contact Provider Services at **888-202-1058** or your Health Partner Representative.
