## What should you do?

First, talk to your health care provider. If needed, your prescriber can submit a prior authorization for a drug that is being removed from the PDL if you need to remain on the drug for medical necessity. There may be many other medicines on the CareSource PDL that you can take instead. There are a few ways you and your prescriber can find medicines:

- To learn more, look on our website at **CareSource.com**. Go to the Pharmacy page and click on "Preferred Drug List".
- Or, call our Member Services Department at 1-855-202-0729 (TTY: 1-800-255-0056 or 711).

We are here to help you. The CareSource Member Services Department is open Monday through Friday, 7 a.m. to 7 p.m.

Sincerely,

CareSource Pharmacy Department
