What should you do?

First, talk to your health care provider. There may be many other medicines on the CareSource PDL that you can take instead. There are a few ways you and your prescriber can find medicines:

- **You can look on our website at CareSource.com. On the Members page, go to Tools & Resources and click on “Find My Prescriptions.”**
- **Or, call our Member Services Department at 1-855-202-0729 (TTY: 1-800-255-0056 or 711).**

We are here to help you. The CareSource Member Services Department is open Monday through Friday, 7 a.m. to 7 p.m.

Sincerely,

CareSource RX Innovations
