Re: Summary of PDL Changes Effective January 1, 2022

Dear CareSource Member:

Your health care is our priority. That is why we are writing to tell you that on January 1, 2022, CareSource will change its Preferred Drug List (PDL). A PDL is a list of preferred drugs.

THE FOLLOWING MEDICINES WILL BE PREFERRED ON THE PDL EFFECTIVE JANUARY 1, 2022.

Brand Name	Generic Name	Dose(s)	Notes
Empaveli	Pegcetacoplan	1,080 mg/20 mL	Requires Prior Authorization
Kloxxado	Naloxone HCl	8 mg	

What should you do?

First, talk to your health care provider. There may be many other medicines on the CareSource PDL that you can take instead. There are a few ways you and your prescriber can find medicines:

- You can look on our website at **CareSource.com**. On the Members page, go to Tools & Resources and click on “Find My Prescriptions.”
- Or, call our Member Services Department at **1-855-202-0729** (TTY: 1-800-255-0056 or 711).

We are here to help you. The CareSource Member Services Department is open Monday through Friday, 7 a.m. to 7 p.m.

Sincerely,

CareSource RX Innovations
