Re: Summary of PDL Changes Effective July 1, 2022

Dear CareSource Member:

Your health care is our priority. That is why we are writing to tell you that on July 1, 2022, CareSource will change its Preferred Drug List (PDL). A PDL is a list of preferred drugs.

THE FOLLOWING WILL BE PREFERRED ON THE PDL EFFECTIVE JULY 1, 2022.

Brand Name	Notes
Dexcom G6 Continuous Glucose Monitor	Corresponding Sensor, Reader and Transmitter Added to the List Requires Clinical Prior Authorization

What should you do?

First, talk to your prescriber. There may be other medicines on the CareSource PDL that you can take instead. There are a few ways you and your prescriber can find medicines:

- You can look on our website at **CareSource.com**. On the Members page, go to Tools & Resources and click on "Find My Prescriptions."
- Or call our Member Services Department at **1-855-202-0729** (TTY: 1-800-255-0056 or 711).

We are here to help you. The CareSource Member Services Department is open Monday through Friday, 7 a.m. to 7 p.m.

Sincerely,

CareSource RX Innovations
