

Re: Summary of PDL Changes Effective JULY 1, 2026

Dear CareSource Member,

Your health care is our priority. We are writing to tell you that on **JULY 1, 2026**, CareSource will change its Preferred Drug List (PDL). A PDL is a list of preferred drugs.

THE FOLLOWING MEDICINE WILL BE PREFERRED ON THE PDL EFFECTIVE JULY 1, 2026

Brand Name	Generic Name	Dose(s)	Notes
	Nifedipine immediate release capsule	All	Updated to preferred; Took effect 4/1/26

THE FOLLOWING MEDICINES HAVE A CHANGE IN STATUS EFFECTIVE JULY 1, 2026

Brand Name	Generic Name	Dose(s)	Notes
Aqvesme tablet	Mitapivat	All	Quantity limits updated
Blujepa tablet	Gepotidacin		
Daybue Stix powder for solution	Trofinetide		
Evrysdi oral solution, tablet	Risdiplam		
Forzinity solution for injection	Elamipretide		
Humira & biosimilars pen, syringe	Adalimumab		
Myqorzo tablet	Aficamten		
Orladeyo packet	Berotrastat		
Redemplo syringe	Plozasiran		
Stelara & biosimilars pen, syringe	Ustekinumab		
Tonmya sublingual tablet	Cyclobenzaprine Hydrochloride		

What should you do?

First, talk to your health care provider. There may be many other medicines on the CareSource PDL you can take instead. There are a few ways you and your prescriber can find medicines:

- You can look on our website at **CareSource.com**. On the Members page, go to Tools & Resources and click on “Find My Prescriptions.”
- Or, call Member Services at 1-855-202-0729 (TTY: 1-800-255-0056 or 711). We are open Monday through Friday, 7 a.m. to 7 p.m. Eastern Time (ET).

Sincerely,

CareSource
