

Re: Summary of PDL Changes Effective October 1, 2026

Dear CareSource Member,

Your health care is our priority. We are writing to tell you that on **October 1, 2026**, CareSource will change its Preferred Drug List (PDL). A PDL is a list of preferred drugs.

THESE MEDICINES WILL BE PREFERRED ON THE PDL EFFECTIVE OCTOBER 1, 2026

Brand Name	Generic Name	Dose(s)	Notes
	Aminocaproic acid oral solution, tablet	All	Took effect 7/1/26
Ozempic tablet	Semaglutide	All	Prior authorization required; Quantity limit applies

THESE MEDICINES HAVE A CHANGE IN STATUS EFFECTIVE OCTOBER 1, 2026

Brand Name	Generic Name	Dose(s)	Notes
MiniMed Compatible CGM Sensors (Guardian, Instinct, Simpler Sync)	N/A	All	Criteria update
Sotyktu tablet	Deucravacitinib		
Wakix tablet	Pitolisant		
Xyrem oral solution, Xywav oral solution, Lumryz granules for suspension	Sodium Oxybate		
Yuviwel powder for injection	Navepegritide		

What should you do?

First, talk to your health care provider. There may be many other medicines on the CareSource PDL you can take instead. There are a few ways you and your prescriber can find medicines:

- You can look on our website at **CareSource.com**. On the Members page, go to Tools & Resources and click on “Find My Prescriptions.”
- Or, call Member Services at 1-855-202-0729 (TTY: 711). We are open Monday through Friday, 7 a.m. to 7 p.m. Eastern Time (ET).

Sincerely,

CareSource
