

Re: Summary of Formulary Changes Effective APRIL 1, 2026

Dear Health Partner,

We are dedicated to partnering with you in the most effective way to manage our members' care. CareSource routinely reviews medications available on the Preferred Drug List (PDL). Medications are added, changed or removed periodically based on industry standard, market availability and/or usage. We encourage you to actively work with your CareSource patients in advance of the effective date above to ensure a smooth transition.
