

Network Notification

Notice Date: March 6, 2018
To: Georgia Medicaid Health Partners
From: CareSource®
Subject: Hospital Statistical & Reimbursement (HS&R) Reports

Hospital facilities and institutions can request a Hospital Statistical & Reimbursement (HS&R) report by contacting the CareSource Regulatory Department via email or mail.

An HS&R report is a summary of Medicaid claims submitted and paid to a hospital for a specific period of time, usually by the hospital's fiscal year end.

HOW TO REQUEST:

Submit your email request to: GA_HS&R_Reports@CareSource.com

Submit your written request to:

CareSource
Attn: Regulatory Department - HS&R Request
600 Galleria Parkway, Suite 400
Atlanta, GA 30339

Include the following information on your request:

- Facility/institution name
- Provider Medicaid ID number
- Period service dates (from – through)
- Period paid dates (from – through)
- Number of licensed beds
- Detailed and/or summary report
- Requestor contact information, including email address

REPORT FULFILLMENT:

CareSource will provide your report via email or mail within thirty days of receipt of your request. The report will adhere to the specifications provided by the Department of Community Health (DCH).

Should you have questions or need assistance with your HS&R request, please feel free to contact CareSource's Regulatory Department by calling 1-678-214-7400 or via email at GA_HS&R_Reports@CareSource.com.
