

Network Notification

Notification Date: February 14, 2019
To: Georgia Medicaid Health Partners
From: CareSource®
Subject: PRTF Overnight Passes
Effective Date: March 1, 2019

Dear Georgia Health partners,

This notification is to inform all Georgia psychiatric residential treatment facilities (PRTFs) that CareSource, in accordance with the Georgia Department of Community Health (DCH), will allow and reimburse for overnight therapeutic leaves from the PRTF for youth residing there for treatment. Previously, CareSource had only allowed day passes. A Leave Plan and other documentation as outlined in the DCH policy should be available upon request.

CareSource will adhere to the policy set forth in the Georgia Policies and Procedures for Psychiatric Residential Treatment Facilities guide (updated October 1, 2018), found at this link. <https://www.mmis.georgia.gov/portal/Portals/0/StaticContent/Public/ALL/HANDBOOKS/Psychiatric%20Residential%20Treatment%20Facility%20October%202018%2020181001143234.pdf>. The policy is located on Page 14.

For more information, you can contact CareSource Health Partner Services at 1-855-202-1058.

Sincerely,

CareSource
