A. Welcome to our plan

HAP CareSource is part of the MI Coordinated Health (MICH) program. MICH is a highly integrated dual-eligible special needs plan (HIDE SNP) that provides benefits of both Medicare and Medicaid to enrollees. Our plan includes doctors, hospitals, pharmacies, providers of long-term services and supports, behavioral health providers, and other providers. We also have care coordinators and care teams to help you manage your providers and services. They all work together to provide the care you need.

HAP CareSource: A joint venture with Health Alliance Plan (HAP), a Michigan-based nonprofit health plan, and HAP CareSource, an Ohio-based nonprofit and managed care health plan with members across multiple states. HAP is a fully owned entity of Henry Ford Health.

HAP CareSource MI Coordinated Health was approved by the State of Michigan and the Centers for Medicare and Medicaid Services (CMS) to provide you services as part of the MI Coordinated Health program.

B. Information about Medicare and Michigan Medicaid

B1. Medicare

Medicare is the federal health insurance program for:

- people 65 years of age or over,
- some people under age 65 with certain disabilities, **and**
- people with end-stage renal disease (kidney failure).

B2. Michigan Medicaid

Michigan Medicaid is the name of Michigan's Medicaid program. Michigan Medicaid is run by the state and is paid for by the state and the federal government. Michigan Medicaid helps people with limited incomes and resources pay for Long-Term Services and Supports (LTSS) and medical costs. It covers extra services and drugs not covered by Medicare.

Each state decides:

- what counts as income and resources,
- who is eligible,
- what services are covered, **and**
- the cost for services.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and the state of Michigan approved our plan. You can get Medicare and Michigan Medicaid services through our plan as long as:

- we choose to offer the plan, **and**
- Medicare and the state of Michigan allow us to continue to offer this plan.

Even if our plan stops operating in the future, your eligibility for Medicare and Michigan Medicaid services isn't affected.

C. Advantages of our plan

You'll now get all your covered Medicare and Michigan Medicaid services from our plan, including drugs. **You don't pay extra to join this health plan.**

We help make your Medicare and Medicaid benefits work better together and work better for you. Some of the advantages include:

- You can work with us for **most** of your health care needs.
- You have a care team that you help put together. Your care team may include yourself, your caregiver, doctors, nurses, counselors, or other health professionals.
- You have access to a care coordinator. This is a person who works with you, with our plan, and with your care team to help make a care plan.
- You're able to direct your own care with help from your care team and care coordinator.
- Your care team and care coordinator work with you to make a care plan designed to meet **your** health needs. The care team helps coordinate the services you need. For example, this means that your care team makes sure:
 - Your doctors know about all the medicines you take so they can make sure you're taking the right medicines and can reduce any side effects that you may have from the medicines.
 - Your test results are shared with all of your doctors and other providers, as appropriate.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

D. Our plan's service area

Our service area includes these counties in Michigan: Macomb and Wayne.

Only people who live in our service area can join our plan.

You can't stay in our plan if you move outside of our service area. Refer to **Chapter 8** of this *Member Handbook* for more information about the effects of moving out of our service area.

E. What makes you eligible to be a plan member

You're eligible for our plan as long as you:

- live in our service area (incarcerated individuals aren't considered living in the service area even if they're physically located in it), **and**
- have both Medicare Part A and Medicare Part B, **and**
- are a United States citizen or national, or an eligible non-citizen, **and**
- are currently eligible for Michigan Medicaid, **and**
- don't live in a state operated veteran's home, **and**
- aren't currently enrolled in hospice care, **and**
- aren't currently enrolled in MI Choice waiver program, **and**
- aren't currently enrolled in the Program of All-inclusive Care for the Elderly (PACE), **and**
- are age 21 or older at the time of enrollment including individuals age 21 and older served by the Children's Specialized Health Care Services (CSHCS) program **and**
- are receiving full Medicaid benefits (this includes individuals who are eligible for Medicaid through expanded financial eligibility limits under a 1915(c) waiver or who reside in a Nursing Facility, including those who have a monthly Patient Pay Amount).

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

If you lose your Michigan Medicaid eligibility but can be expected to regain it within three months, we'll continue to provide all Medicare benefits covered by HAP CareSource MI Coordinated Health. When your Michigan Medicaid coverage ends, we won't pay for your Michigan Medicaid benefits. You will have to pay for any Medicare premiums or cost sharing for which the state would otherwise be liable had you not lost your Medicaid eligibility. You will be responsible for the cost-sharing amount for all Part D drugs during this period. Medicare cost-sharing amounts for Medicare basic and supplemental benefits do not change during this period. Please contact Members Services for additional information.

We'll assist you to regain your Michigan Medicaid eligibility. If your Michigan Medicaid eligibility is restored while you're still enrolled with us for your Medicare coverage:

- We'll resume paying for your Michigan Medicaid benefits.
- We'll pay for any Michigan Medicaid services you received while you were waiting for your Michigan Medicaid coverage to restart. We will not pay for any Home and Community Based Services (HCBS) you received during the time your Medicaid eligibility was not active.
- Your enrollment with our plan will continue.

If you can't regain Michigan Medicaid within three months we'll disenroll you from HAP CareSource MI Coordinated Health. If you regain Michigan Medicaid eligibility after being disenrolled, you'll need to contact us to reenroll in the plan.

Call Member Services for more information.

F. What to expect when you first join our health plan

When you first join our plan, you get a health risk assessment (HRA) within 90 days before or after your enrollment effective date.

We must complete an HRA for you. This HRA is the basis for developing your care plan. The HRA includes questions to identify your medical, behavioral health, and functional needs.

We reach out to you to complete the HRA. We can complete the HRA by an in-person visit or telephone call. We'll reach out to you annually to see if any of your needs have changed.

We'll send you more information about this HRA.

Your Care Coordinator will reach you to schedule an HRA.

HAP CareSource MI Coordinated Health must maintain your current providers and services you're receiving at the time of Enrollment. This includes drugs and providers which aren't part of our network. How long you'll continue to receive these services depends on what services

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

you're receiving and why you're getting them. Only after we've completed your HRA will we consider any changes to the services you're getting at the time you enroll.

G. Your care team and care plan

G1. Care team

A care team can help you keep getting the care you need. A care team may include your doctor, a care coordinator, your specialists, or other health professionals that you choose.

A care coordinator is a person trained to help you manage the care you need. You get a care coordinator when you enroll in our plan. This person also refers you to other community resources that our plan may not provide and will work with your care team to help coordinate your care. Call us at the numbers at the bottom of the page for more information about your care coordinator and care team.

G2. Care plan

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, and LTSS or other services. The care plan will focus on your goals taking into account your concerns, wants, needs and strengths. It'll include a summary of your health status and your plan for addressing your concerns. You'll be asked to sign your care plan after it's satisfactory to you.

Your care plan includes:

- your health care goals,
- a timeline for getting the services you need,
- your cultural values and the communication needs and preferences,
- your preferences for care, services, and supports,
- your prioritized list of concerns, goals and objectives, and strengths,
- specific providers, supports and services including amount, scope, and duration,
- a summary of your health status,
- the plan for addressing your concerns or goals and measures for achieving them,
- the person(s) responsible for helping you achieve your goals,
- due dates for the interventions and Reassessment, **and**

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- a plan to address health related social needs such as food or housing security.

Your care team meets with you after your HRA. They ask you about services you need. They also tell you about services you may want to think about getting. Your care plan is created based on your needs and goals. Your care team works with you to update your care plan at least every year.

H. Summary of important costs

Our plan has no premium.

If your Member ID Card is damaged, lost, or stolen, call Member Services at the number at the bottom of the page right away. We'll send you a new card.

As long as you're a member of our plan, you don't need to use your red, white, and blue Medicare card or your Michigan Medicaid card to get most services. Keep those cards in a safe place, in case you need them later. If you show your Medicare card instead of your Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. You may be asked to show your Medicare card if you need hospital services, hospice services, or participate in Medicare-approved clinical research studies (also called clinical trials). Refer to **Chapter 7** of this *Member Handbook* to find out what to do if you get a bill from a provider.

J2. Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists the providers and pharmacies in our plan's network. While you're a member of our plan, you must use network providers to get covered services.

You can ask for a *Provider and Pharmacy Directory* (electronically or in hard copy form) by calling Member Services at the numbers at the bottom of the page. Requests for hard copy Provider and Pharmacy Directories will be mailed to you within three business days. You can also refer to the *Provider and Pharmacy Directory* at the web address at the bottom of the page.

Both Member Services and the website can give you the most up-to-date information about changes in our network providers and pharmacies including, but not limited to:

- Provider specialty
- Hours of operation
- Board certification
- Accepting or not accepting new patients

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057** (TTY: **1-833-711-4711 or 711**). We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit HAPCareSource.com.

- Languages spoken
- Hospital affiliations
- Pharmacy location

During the first 90 days after you enroll with HAP CareSource MI Coordinated Health, you can see any provider you've seen within the previous twelve (12) months, even if the provider isn't in our network.

Definition of network providers

- Our network providers include:
 - doctors, nurses, and other health care professionals that you can use as a member of our plan;
 - clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and**
 - LTSS, behavioral health services, home health agencies, durable medical equipment (DME) suppliers, dentists and others who provide goods and services that you get through Medicare or Medicaid.

Network providers agree to accept payment from our plan for covered services as payment in full.

Definition of network pharmacies

- Network pharmacies are pharmacies that agree to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.
- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help you pay for them.

Call Member Services at the numbers at the bottom of the page for more information. Both Member Services and our website can give you the most up-to-date information about changes in our network pharmacies and providers.

J3. List of Covered Drugs

Our plan has a *List of Covered Drugs*. We call it the *Drug List* for short. It tells you which drugs our plan covers. The drugs on this list are selected by our plan with the help of doctors and pharmacists. The *Drug List* must meet Medicare's requirements. Drugs with negotiated prices

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

under the Medicare Drug Price Negotiation Program will be included on your *Drug List* unless they've been removed and replaced as described in **Chapter 5**. Medicare approved the HAP CareSource MI Coordinated Health *Drug List*.

The *Drug List* also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to **Chapter 5** of this *Member Handbook* for more information.

Each year, we send you information about how to access the *Drug List*, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, call your Care Coordinator or Member Services or visit our website at the address at the bottom of the page. We also cover certain Medicaid over-the-counter drugs and items. The *Drug List* will include a section that lists all Medicaid drugs covered in our plan. This information will also be found at our website or by calling your Care Coordinator or Member Services.

J4. The *Explanation of Benefits*

When you use your Medicare Part D drug benefits, we send you a summary to help you understand and keep track of payments for your Medicare Part D drugs. This summary is called the *Explanation of Benefits* (EOB).

The EOB tells you the total amount you, or others on your behalf, spent on your Medicare Part D drugs and the total amount we paid for each of your Medicare Part D drugs during the month. This EOB isn't a bill. The EOB has more information about the drugs you take. **Chapter 6** of this *Member Handbook* gives more information about the EOB and how it helps you track your drug coverage.

You can also ask for an EOB. To get a copy, contact Member Services at the numbers at the bottom of the page.

K. Keeping your membership record up to date

You can keep your membership record up to date by telling us when your information changes.

We need this information to make sure that we have your correct information in our records. The doctors, hospitals, pharmacists, and other providers in our plan's network use your membership record to know what services and drugs are covered and your cost-sharing amounts. Because of this, it's very important to help us keep your information up to date.

Tell us right away about the following:

- changes to your name, address, or phone number;
- changes to any other health insurance coverage, such as from your employer, your spouse's employer, or your domestic partner's employer, or workers' compensation;
- any liability claims, such as claims from an automobile accident;
- admission to a nursing facility or hospital;
- care from a hospital or emergency room;
- changes in your caregiver (or anyone responsible for you); **and**
- you participate in a clinical research study. (**Note:** You're not required to tell us about a clinical research study you intend to participate in, but we encourage you to do so.)

If any information changes, call Member Services at the numbers at the bottom of the page. To update your personal information online, go to MyLife.CareSource.com or

HAPCareSource.com and click on Members. Then click on CareSource MyLife to open an online account.

Contact Michigan Department of Health and Human Services (MDHHS) with updates to ensure they have the most up to date information. MDHHS determines Medicaid eligibility, not HAP CareSource.

K1. Privacy of personal health information (PHI)

Information in your membership record may include personal health information (PHI). Federal and state laws require that we keep your PHI private. We protect your PHI. For more details about how we protect your PHI, refer to **Chapter 8** of this *Member Handbook*.

The Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January – December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs.** "Extra Help" from Medicare and help from your ADAP, for those who qualify, is more advantageous than participation in this payment option, no matter your income level, and plans with drug coverage must offer this payment option. A. Information about services and providers

Services are health care, long-term services and supports (LTSS), supplies, behavioral health services, prescription and over-the-counter drugs, equipment and other services. **Covered services** are any of these services that our plan pays for. Covered health care, behavioral health, and LTSS are in **Chapter 4** of this *Member Handbook*. Your covered services for prescription and over-the-counter drugs are in **Chapter 5** of this *Member Handbook*.

Providers are doctors, nurses, and other people who give you services and care and are licensed by the state. Providers also include hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services, medical equipment, and certain LTSS.

Network providers are providers who work with our plan. These providers agree to accept our payment as full payment. We arranged for these providers to deliver covered services to you.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

Network providers bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.

B. Rules for getting services our plan covers

Our plan covers all services covered by Medicare and Michigan Medicaid. This includes behavioral health and LTSS.

Our plan will generally pay for health care services, covered behavioral health services, and LTSS you get when you follow our rules. To be covered by our plan:

- The care you get must be included in our Medical Benefits Chart in **Chapter 4** of this *Member Handbook*.
- The care must be **medically necessary**. By medically necessary, we mean you need services to prevent, diagnose, or treat your condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- **You must get your care from network providers** (for more information, go to **Section D** in this chapter). Usually, we won't cover care from a provider who doesn't work with our health plan. This means that you'll have to pay the provider in full for services you get. Here are some cases when this rule doesn't apply:
 - If you need emergency or urgently needed care from an out-of-network provider (for more information, go to **Section I**).
 - If you need care that our plan covers and our network providers can't give it to you, you can get care from an out-of-network provider. Prior authorization must be obtained before seeking care. In this situation, we cover the care at no cost to you. For information about getting approval to use an out-of-network provider, go to **Section D4**.
 - If you need kidney dialysis services when you're outside our plan's service area for a short time or when your provider is temporarily unavailable or not accessible, you can get care from an out-of-network provider. If possible, call Member Services at the number at the bottom of the page before you leave the service area so we can help arrange for you to have maintenance dialysis while you're away.
- When you first join the plan, you can keep getting services and using the doctors and other providers you use now for at least 90 days from your enrollment start

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

The Habilitation Supports Waiver or Specialty Services and Supports Program services provided by the Prepaid Inpatient Health Plan (PIHP) that you may currently be receiving will not change due to your enrollment in HAP CareSource MI Coordinated Health. For all other services, you will be able to continue seeing the doctors and providers you use now for up to 180 days from your enrollment start date. Your Care Coordinator will work with you to choose new providers and arrange services within this time period. Call HAP CareSource MI Coordinated Health for information about nursing home services.

Your choice of PCP

You can get services from any provider who is in our network and accepting new members. First, you should choose a primary care provider. If you want help in choosing a PCP, please call Member Services at **1-833-230-2057 (TTY: 1-833- 711-4711 or 711)**, 8 a.m. to 8 p.m., seven days a week. The call is free. Or, visit **HAPCareSource.com**.

Option to change your PCP

You can change your PCP for any reason, at any time. It's also possible that your PCP may leave our plan's network. If your PCP leaves our network, we can help you find a new PCP in our network.

To change your PCP, contact our Member Services at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**, 8 a.m. to 8 p.m., seven days a week. The representative you speak to can assist you in choosing a new provider or you can choose your own by accessing the member login at **HAPCareSource.com**.

When you change your PCP, it will take effect immediately.

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists, such as:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

You do not need a referral from your PCP to see other providers. Some specialists may want a referral from your PCP before they see you. It is important to contact your PCP before you see a specialist. This allows your PCP to manage your care for the best outcomes. Your choice of a PCP does not limit you to specific specialists or hospitals to which your PCP refers. Just check your Provider and Pharmacy Directory for a list of specialists or other network providers and schedule an appointment yourself. If you are not sure what types of providers offer the services you need, please talk to your Care Coordinator.

Some services or medications may require a prior authorization from us before you can get them. This means your PCP or provider must get approval from us before you can get the service or drug. See the Benefits Chart in Chapter 4, Section D, for information about which services require prior authorization. If you are seeing a specialist, he or she may talk with your PCP before scheduling any services. Please see the Benefits Chart in Chapter 4, Section D, for information about which services require prior authorization.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

D3. When a provider leaves our plan

A network provider you use may leave our plan. If one of your providers leaves our plan, you have these rights and protections that are summarized below:

- Even if our network of providers change during the year, we must give you uninterrupted access to qualified providers.
- We'll notify you that your provider is leaving our plan so that you have time to select a new provider.
 - If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past three years.
 - If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or visited them within the past three months.
- We help you select a new qualified in-network provider to continue managing your health care needs.
- If you're currently undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting medically necessary treatment or therapies. We'll work with you so you can continue to get care.
- We'll give you information about available enrollment periods and options you may have for changing plans.
- If we can't find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care when an in-network provider or benefit is unavailable or inadequate to meet your medical needs. Prior authorization must be obtained before seeking care.
- If you find out one of your providers is leaving our plan, contact us. We can help you choose a new provider to manage your care.
- If you think we haven't replaced your previous provider with a qualified provider or that we aren't managing your care well, you have the right to file a quality of care complaint to the Quality Improvement Organization (QIO), a quality of care grievance, or both. (Refer to **Chapter 9** for more information.)

D4. Out-of-network providers

If you use an out-of-network provider, the provider must be eligible to participate in Medicare and/or Michigan Medicaid.

- We can't pay a provider who isn't eligible to participate in Medicare and/or Michigan Medicaid.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- If you use a provider who isn't eligible to participate in Medicare, you must pay the full cost of the services you get.
 - Providers must tell you if they aren't eligible to participate in Medicare.

E. Long-term services and supports (LTSS)

Long-Term Supports and Services (LTSS) are services that help elderly people and people with disabilities meet their daily needs for help and improve the quality of their lives. Examples of LTSS include help with bathing, dressing, and other basic activities of daily life and self-care, as well as support for everyday tasks such as laundry, shopping, and transportation. LTSS are provided over an extended period, usually in homes and communities, but also in nursing homes and other facilities.

To determine eligibility for LTSS, you must participate in the completion of a HRA of your medical, behavioral health, psychosocial, and LTSS needs. The HRA is completed by a Care Coordinator and is encouraged to be done in person for all members. Members with high needs are required to be done in person. Your HAP CareSource MI Coordinated Health Care Coordinator will also refer you for an in-home interRAI Assessment and Level of Care Determination (LOCD) if the HRA identifies needs that may qualify for waiver services or for an in-home Personal Care Assessment, if personal care needs are identified. You must complete these assessments, so that we can identify your LTSS needs and determine possible services that you may qualify to receive.

F. Behavioral health (mental health and substance use disorder) services

All Medicaid and Medicare behavioral health services are covered by your plan. All existing Medicare and Medicaid behavioral health services will continue to be provided for people currently receiving care and who enroll in the MI Coordinated Health (MICH) program. Certain behavioral health services covered by Medicaid are managed by Michigan Pre-paid Inpatient Health Plans (PIHPs), organizations that the Michigan Department of Health and Human Services contracts with to administer Medicaid covered behavioral health benefits. All Medicaid covered Behavioral Health services not managed by the PIHPs and all behavioral health services covered by Medicare will be managed by us. If you have questions about behavioral health, contact your Care Coordinator.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

If you live in Macomb County, behavioral health and substance use services are coordinated by HAP CareSource MI Coordinated Health. Contact your Care Coordinator or Member Services for more information. To contact the PIHP directly, refer to the contact information in **Chapter 2**.

If you live in Wayne County, MI Coordinated Health behavioral health and substance use services are coordinated with HAP CareSource MI Coordinated Health and Wayne Community Mental Health. The PIHP Access Center provides telephone screening and helps you with scheduling an appointment at a clinic near you. You will still have your HAP CareSource MI Coordinated Health Care Coordinator, but you will have the added benefit of working directly with a specialist from the PIHP.

This benefit is for any HAP CareSource MI Coordinated Health enrollee with a need to access behavioral health, intellectual/developmental disabilities services and supports, or substance use service.

You can call HAP CareSource MI Coordinated Health Member Services at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**, 8 a.m. to 8 p.m., seven days a week. The representative you speak to can assist you in contacting the PIHP to begin accessing this benefit.

G. How to get self-directed care

G1. What self-directed care is

Self-direction is a model of long-term care service delivery that helps people of all ages, with all types of disabilities, maintain their independence at home. When a person self-directs, they decide how, when, and from whom their services and supports will be delivered. You have the option to self-direct your services if you qualify. You would control a budget and have the right to hire and manage personal care workers and other providers.

G2. Who can get self-directed care (for example, if it's limited to waiver populations)

Your care coordinator will work with you to determine whether you qualify for self-directed services.

G3. How to get help with implementing self-direction

Members should contact their Waiver Service/Care Coordinators for education and support with implementing self-direction.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

H. Transportation services

We may be able to help you get to your medical appointments and, if you qualify, may be able to help with transportation for other things. If you need help with transportation, call Member Services.

Prearranged, non-urgent transportation will be provided on an as-needed basis to accommodate the needs of our members. Contact Member Services two (2) business days prior to the requested date of transportation to make arrangements. Our number is **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**, 8 a.m. to 8 p.m., Monday – Friday. We ask that you have as much information as possible on hand including, but not limited to, the name and address of the location you need transportation to, time of arrival, and time of departure requested. Members who call Member Services for transportation can be assisted in a variety of ways:

- Bus, taxi, van, or medical transport arrangements
- Mileage reimbursement
- Car or wheelchair lift transportation.

No referral or preauthorization is required for this service, but the service must be arranged through Member Services.

I. Covered services in a medical emergency, when urgently needed, or during a disaster

I1. Care in a medical emergency

A medical emergency is a medical condition with symptoms such as illness, severe pain, serious injury, or a medical condition that's quickly getting worse. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your life and, if you're pregnant, loss of an unborn child; **or**
- loss of or serious harm to bodily functions; **or**
- loss of a limb or function of a limb; **or**
- In the case of a pregnant woman in active labor, when:
 - There isn't enough time to safely transfer you to another hospital before delivery.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- A transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or use the nearest emergency room or hospital. Call for an ambulance if you need it. You **don't** need approval or a referral from your PCP. You don't need to use a network provider. You can get covered emergency medical care whenever you need it, anywhere in the U.S. or its territories or worldwide, from any provider with an appropriate state license even if they're not part of our network
- **As soon as possible, tell our plan about your emergency.** We follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you won't pay for emergency services if you delay telling us. Check the back of your Member ID card for the appropriate contact number.

Covered services in a medical emergency

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency. To learn more, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.

The providers who give you emergency care decide when your condition is stable and the medical emergency is over. They'll continue to treat you and will contact us to make plans if you need follow-up care to get better.

After the emergency is over, you may need follow-up care to be sure you get better. Your follow-up care will be covered by our plan. If you get your emergency care from out-of-network providers, we will try to get network providers to take over your care as soon as possible. If the provider that is treating you for an emergency takes care of the emergency but thinks you need other medical care to treat the problem that caused the emergency, the provider must call 1-800-488-0134. Our plan covers your follow-up care. If you get your emergency care from out-of-network providers, we'll try to get network providers to take over your care as soon as possible.

Medicare generally does not cover medical services outside the United States and its territories; however, as a supplemental benefit, we provide a limited worldwide emergency benefit. Please see Worldwide Emergency Services, Urgently Needed Services, and Transportation in **Chapter 4** for details.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You may go in for emergency care and the doctor says it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we cover your care.

However, after the doctor says it wasn't an emergency, we cover your additional care only if:

- You use a network provider **or**
- The additional care you get is considered "urgently needed care" and you follow the rules for getting it. Refer to the next section.

12. Urgently needed care

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or an unforeseen illness or injury.

Urgently needed care in our plan's service area

In most cases, we cover urgently needed care only if:

- You get this care from a network provider **and**
- You follow the rules described in this chapter.

If it isn't possible or reasonable to get to a network provider, given your time, place or circumstances we cover urgently needed care you get from an out-of-network provider.

- Call your PCP for advice. You can reach your PCP, or a back-up doctor, 24 hours a day, 7 days a week, or
- Call our 24-Hour Nurse Advice Line at **1-833-687-7360 (TTY: 1-833-711-4711 or 711)**, 24 hours a day, 7 days a week, or
- Call Teladoc®, our on-demand telehealth services provider, at **1-800-TELADOC (835-2362)**, 24 hours a day, 7 days a week, or
- Go to a participating urgent care listed in your Provider and Pharmacy Directory or on our website at **HAPCareSource.com**. After you go, always call your PCP to schedule follow-up care.

Urgently needed care outside our plan's service area

When you're outside our plan's service area, you may not be able to get care from a network provider. In that case, our plan covers urgently needed care you get from any provider.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

However, medically necessary routine provider visits, such as annual checkups, aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

Our plan covers worldwide emergency and urgently needed care services outside the United States and its territories up to \$10,000 annually.

I3. Care during a disaster

If the governor of your state, the U.S. Secretary of Health and Human Services, or the president of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit our website for information on how to get care you need during a declared disaster:

HAPCareSource.com.

During a declared disaster, if you can't use a network provider, you can get care from out-of-network providers at no cost to you. If you can't use a network pharmacy during a declared disaster, you can fill your drugs at an out-of-network pharmacy. Refer to **Chapter 5** of this *Member Handbook* for more information.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

J. What if you're billed directly for covered services

If a provider sends you a bill instead of sending it to our plan, you should ask us to pay the bill. If you paid for your covered services or if you got a bill for covered medical services, refer to **Chapter 7** of this *Member Handbook* to find out what to do.

You shouldn't pay the bill yourself. If you do, we may not be able to pay you back.

J1. What to do if our plan doesn't cover services

Our plan covers all services:

- that are determined medically necessary, **and**
- that are listed in our plan's Benefits Chart (refer to **Chapter 4** of this *Member Handbook*), **and**
- that you get by following plan rules.

If you get services that our plan doesn't cover, **you pay the full cost yourself.**

If you want to know if we pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we won't pay for your services, you have the right to appeal our decision.

Chapter 9 of this *Member Handbook* explains what to do if you want us to cover a medical service or item. It also tells you how to appeal our coverage decision. Call Member Services to learn more about your appeal rights.

We pay for some services up to a certain limit. If you go over the limit, you pay the full cost to get more of that type of service. Refer to **Chapter 4** for specific benefit limits. Call Member Services to find out what the benefit limits are and how much of your benefits you've used.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

K. Coverage of health care services in a clinical research study

K1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study. When you're in a clinical research study, you can stay enrolled in our plan and continue to get the rest of your care (care that's not related to the study) through our plan.

If you want to take part in any Medicare-approved clinical research study, you **don't** need to tell us or get approval from us or your primary care provider. Providers that give you care as part of the study **don't** need to be network providers. This doesn't apply to covered benefits that require a clinical trial or registry to assess the benefit, including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.

We encourage you to tell us before you take part in a clinical research study.

If you plan to be in a clinical research study, covered for enrollees by Original Medicare, we encourage you or your care coordinator to contact Member Services to let us know you'll take part in a clinical trial.

K2. Payment for services when you're in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you pay nothing for the services covered under the study. Medicare pays for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you're covered for most services and items you get as part of the study. This includes:

- room and board for a hospital stay that Medicare would pay for even if you weren't in a study
- an operation or other medical procedure that's part of the research study
- treatment of any side effects and complications of the new care

If you're part of a study that Medicare **hasn't** approved, you pay any costs for being in the study.

K3. More about clinical research studies

You can learn more about joining a clinical research study by reading "Medicare & Clinical Research Studies" on the Medicare website (www.medicare.gov/coverage/clinical_researchstudies). You can also call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

L. How your health care services are covered in a religious non-medical health care institution

L1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services).

L2. Care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you're against getting medical treatment that's "non-excepted."

- "Non-excepted" medical treatment is any care or treatment that's **voluntary and not required** by any federal, state, or local law.
- "Excepted" medical treatment is any care or treatment that's **not voluntary and is required** under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers non-religious aspects of care.
- If you get services from this institution provided to you in a facility:
- You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
- You must get approval from us before you're admitted to the facility, or your stay **won't** be covered.

Medicare Inpatient Hospital coverage limits apply (refer to the Benefits Chart in **Chapter 4** for more information).

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

M. Durable medical equipment (DME)

M1. DME as a member of our plan

DME includes certain medically necessary items ordered by a provider, such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You always own some DME items, such as prosthetics.

Other types of DME you must rent. As a member of our plan, you **won't** own the rented DME items, no matter how long you rent it.

Even if you had DME for up to 12 months in a row under Medicare before you joined our plan, you **won't** own the equipment.

M2. DME ownership if you switch to Original Medicare

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage (MA) plan, the plan can set the number of months people must rent certain types of DME before they own it.

You'll have to make 13 payments in a row under Original Medicare, or you'll have to make the number of payments in a row set by the MA plan, to own the DME item if:

- you didn't become the owner of the DME item while you were in our plan, **and**
- you leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or an MA plan.

If you made payments for the DME item under Original Medicare or an MA plan before you joined our plan, **those Original Medicare or MA plan payments don't count toward the payments you need to make after leaving our plan.**

- You'll have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the MA plan to own the DME item.
- There are no exceptions to this when you return to Original Medicare or an MA plan

M3. Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare we cover:

- rental of oxygen equipment
- delivery of oxygen and oxygen contents
- tubing and related accessories for the delivery of oxygen and oxygen contents
- maintenance and repairs of oxygen equipment

Oxygen equipment must be returned when it's no longer medically necessary for you or if you leave our plan.

M4. Oxygen equipment when you switch to Original Medicare or another Medicare Advantage (MA) plan

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**, your supplier must provide:

- oxygen equipment, supplies, and services for another 24 months
- oxygen equipment and supplies for up to five years if medically necessary

If oxygen equipment is still medically necessary **at the end of the five year period**:

- Your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- A new five year period begins.
- You rent from a supplier for 36 months.
- Your supplier then provides the oxygen equipment, supplies, and services for another 24 months.
- A new cycle begins every five years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and **you leave our plan and switch to another MA plan**, the plan will cover at least what Original Medicare covers. You can ask your new MA plan what oxygen equipment and supplies it covers and what your costs will be.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

A. Your covered services

This chapter tells you about services our plan covers. You can also learn about services that aren't covered. Information about drug benefits is in **Chapter 5** of this *Member Handbook*. This chapter also explains limits on some services.

Because you get help from Michigan Medicaid you pay nothing for your covered services as long as you follow our plan's rules. Refer to **Chapter 3** of this *Member Handbook* for details about our plan's rules.

If you need help understanding what services are covered, call your Care Coordinator and/or Member Services at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**.

B. Rules against providers charging you for services

We don't allow our providers to bill you for in network covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, refer to **Chapter 7** of this *Member Handbook* or call Member Services.

C. About our plan's Benefits Chart

The Benefits Chart tells you the services our plan pays for. It lists covered services in alphabetical order and explains them.

We pay for the services listed in the Benefits Chart when the following rules are met. You **don't** pay anything for the services listed in the Benefits Chart, as long as you meet the requirements described below.

- We provide covered Medicare and Michigan Medicaid covered services according to the rules set by Medicare and Michigan Medicaid.
- The services (including medical care, behavioral health and substance use services, long-term services and supports, supplies, equipment, and drugs) must be "medically necessary." Medically necessary describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a

hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.

- For new enrollees, for the first 90 days we may not require you to get approval in advance for any active course of treatment, even if the course of treatment was for a service that began with an out-of-network provider.
- You get your care from a network provider. A network provider is a provider who works with us. In most cases, care you get from an out-of-network provider won't be covered unless it's an emergency or urgently needed care, or unless our plan or a network provider gave you a referral. This means that you pay the provider in full for out-of-network services you get. **Chapter 3** of this *Member Handbook* has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) or a care team providing and managing your care.
- We cover some services listed in the Benefits Chart only if your doctor or other network provider gets our approval first. This is called prior authorization (PA). We mark covered services in the Benefits Chart that need PA with a footnote.
 - When discussing your treatment options, you and your doctor can review the online PA list (caresource.com/mi/providers/provider-portal/prior-authorization/mich/) to see whether a specific service requires prior authorization and review the related requirements.
- If our plan provides approval of a PA request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care based on coverage criteria, your medical history, and the treating provider's recommendations.
- Like all Medicare health plans, we cover everything that Original Medicare covers. (To learn more about the coverage and costs of Original Medicare, go to your *Medicare & You 2027* handbook. View it online at www.Medicare.gov or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.
- If Medicare adds coverage for any new services during 2027, either Medicare or our plan will cover those services.
- If you lose your Michigan Medicaid eligibility but can be expected to regain it within three months, we'll continue to provide all Medicare benefits covered by HAP CareSource MI Coordinated Health. When your Michigan Medicaid coverage ends, we won't pay for your Michigan Medicaid benefits. You will have to pay for any Medicare premiums or cost sharing for which the state would otherwise be liable had you not lost your Medicaid eligibility. You will be

responsible for the cost-sharing amount for all Part D drugs during this period. Medicare cost-sharing amounts for Medicare basic and supplemental benefits do not change during this period. Please contact Members Services for additional information.

We'll assist you to regain your Michigan Medicaid eligibility. If your Michigan Medicaid eligibility is restored while you're still enrolled with us for your Medicare coverage:

- We'll resume paying for your Michigan Medicaid benefits.
- We'll pay for any Michigan Medicaid services you received while you were waiting for your Michigan Medicaid coverage to restart. We will not pay for any Home and Community Based Services (HCBS) you received during the time your Medicaid eligibility was not active.
- Your enrollment with our plan will continue.

E. Benefits covered outside of our plan

We don't cover Medicaid Specialty Behavioral Health Services, but they're available through regional Pre-paid Inpatient Health Plans (PIHPs) or Community Mental Health Services Providers (CMHSPs).

If you're receiving services through the PIHP, please refer to the separate PIHP *Member Handbook* for more information and work with your Care Coordinator to get services provided through the PIHP.

F. Benefits not covered by our plan, Medicare, or Michigan Medicaid

This section tells you about benefits excluded by our plan. "Excluded" means that we don't pay for these benefits. Medicare and Medicaid don't pay for them either.

The list below describes some services and items not covered by us under any conditions and some excluded by us only in some cases

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

We don't pay for excluded medical benefits listed in this section (or anywhere else in this *Member Handbook*) except under specific conditions listed. Even if you get the services at an emergency facility, the plan won't pay for the services. If you think that our plan should pay for a service that isn't covered, you can request an appeal. For information about appeals, refer to Chapter 9 of this Member Handbook.

In addition to any exclusions or limitations described in the Benefits Chart, our plan doesn't cover the following items and services:

- services considered not “reasonable and medically necessary”, according to Medicare and Michigan Medicaid standards, unless we list these as covered services
- experimental medical and surgical treatments, items, and drugs, unless Medicare, a Medicare-approved clinical research study, or our plan covers them. Refer to **Chapter 3** of this *Member Handbook* for more information on clinical research studies. Experimental treatment and items are those that aren't generally accepted by the medical community.
- surgical treatment for morbid obesity, except when medically necessary and Medicare pays for it
- a private room in a hospital, except when medically necessary
- private duty nurses
- personal items in your room at a hospital or a nursing facility, such as a telephone or television
- full-time nursing care in your home
- fees charged by your immediate relatives or members of your household
- elective or voluntary enhancement procedures or services (including weight loss, hair growth, sexual performance, athletic performance, cosmetic purposes, anti-aging and mental performance), except when medically necessary
- cosmetic surgery or other cosmetic work, unless it's needed because of an accidental injury or to improve a part of the body that isn't shaped right. However, we pay for reconstruction of a breast after a mastectomy and for treating the other breast to match it

- chiropractic care, other than manual manipulation of the spine consistent with coverage guidelines
- routine foot care, except as described in Podiatry services in the Benefits Chart in **Section D**
- orthopedic shoes, unless the shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease
- supportive devices for the feet, except for orthopedic or therapeutic shoes for people with diabetic foot disease
- radial keratotomy, LASIK surgery, and other low-vision aids
- reversal of sterilization procedures and non-prescription contraceptive supplies
- naturopath services (the use of natural or alternative treatments)
- services provided to veterans in Veterans Affairs (VA) facilities.

Chapter 5: Getting your outpatient drugs

Introduction

This chapter explains rules for getting your outpatient drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and Michigan Medicaid. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

We also cover the following drugs, although they're not discussed in this chapter:

- **Drugs covered by Medicare Part A.** These generally include drugs given to you while you're in a hospital or nursing facility.
- **Drugs covered by Medicare Part B.** These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you're given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.
- In addition to the plan's Medicare Part D and medical benefits coverage, your drugs may be covered by Original Medicare if you're in Medicare hospice. For more information, please refer to **Chapter 5, Section D** "In a Medicare-certified hospice program."

Rules for our plan's outpatient drug coverage

We usually cover your drugs as long as you follow the rules in this section.

You must have a provider (doctor, dentist, or other prescriber) write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP). It could also be another provider if your PCP has referred you for care.

Your prescriber must **not** be on Medicare's Exclusion or Preclusion Lists or any similar Medicaid lists.

You generally must use a network pharmacy to fill your prescription (Refer to **Section A1** for more information). Or you can fill your prescription through the plan's mail-order service.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

Your prescribed drug must be on our plan's *List of Covered Drugs*. We call it the "*Drug List*" for short. (Refer to **Section B** of this chapter.)

- If it isn't on the *Drug List*, we may be able to cover it by giving you an exception.
- Refer to **Chapter 9** to learn about asking for an exception.

Your drug must be used for a medically accepted indication. This means that use of the drug is either approved by the Food and Drug Administration (FDA) or supported by certain medical references. Your prescriber may be able to help identify medical references to support the requested use of the prescribed drug. This means that the use of the drug is either approved by the Food and Drug Administration or supported by certain medical references.

Your drug may require approval from our plan based on certain criteria before we'll cover it. (Refer to **Section C** in this chapter.)

A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, we pay for prescriptions only when filled at any of our network pharmacies. A network pharmacy is a drug store that agrees to fill prescriptions for our plan members. You may use any of our network pharmacies. (Refer to **Section A8** for information about when we cover prescriptions filled at out-of-network pharmacies.)

To find a network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website or contact Member Services or your Care Coordinator.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057** (TTY: **1-833-711-4711 or 711**). We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy bills us for your covered drug.

If you don't have your Member ID Card with you when you fill your prescription, ask the pharmacy to call us to get the necessary information, or you can ask the pharmacy to look up your plan enrollment information.

If the pharmacy can't get the necessary information, you may have to pay the full cost of the prescription when you pick it up. Then you can ask us to pay you back. **If you can't pay for the drug, contact Member Services right away.** We'll do everything we can to help.

- To ask us to pay you back, refer to **Chapter 7** of this *Member Handbook*.
- If you need help getting a prescription filled, contact your Care Coordinator or Member Services.

A3. What to do if you change your network pharmacy

If you change pharmacies and need a prescription refill, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, contact Member Services or your care coordinator.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you need to find a new network pharmacy.

To find a new network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing facility.
 - Usually, long-term care facilities have their own pharmacies. If you're a resident of a long-term care facility, we make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy isn't in our network or you have difficulty getting your drugs in a long-term care facility, contact Member Services.
- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that dispense drugs restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.) To find a specialized pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A6. Using mail-order services to get your drugs

For certain kinds of drugs, you can use our plan's network mail-order services. Generally, drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition. Drugs available through our plan's mail-order service are marked as mail-order drugs in our *Drug List*.

Our plan's mail-order service requires you to order at least a 30-day supply of the drug and no more than a 102-day supply. A 102-day supply has the same copay as a one-month supply.

Filling prescriptions by mail

To get order forms and information about filling your prescriptions by mail, call Pharmacy Advantage at 1-800-456-2112.

Usually, a mail-order prescription arrives within 7-10 days. However, sometimes your mail order may be delayed. If delivery of your medication does not arrive within 10 days, please call Pharmacy Advantage at 1-800-456-2112 to check on the status of your prescription. If your

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

mail-order is delayed, you can go to the pharmacy for a one-time fill. If your medication requires a prior authorization, our mail-order pharmacy will contact your doctor.

If the prescription is rejected or the medication is out of stock, our mail-order pharmacy will contact you and make arrangements for a two-week supply of your medication through a local retail pharmacy. For more information about mail order, visit our website at **HAPCareSource.com** or call Pharmacy Advantage at 1-800-456-2112 or call Member Services.

Mail-order processes

Mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions.

1. New prescriptions the pharmacy gets from you

The pharmacy automatically fills and delivers new prescriptions it gets from you.

2. New prescriptions the pharmacy gets from your provider's office

The pharmacy automatically fills and delivers new prescriptions it gets from health care providers, without checking with you first, if:

- You used mail-order services with our plan in the past, **or**
- You sign up for automatic delivery of all new prescriptions you get directly from health care providers. You may ask for automatic delivery of all new prescriptions now or at any time by contacting Pharmacy Advantage at 1-800-456-2112.

If you used mail-order in the past and don't want the pharmacy to automatically fill and ship each new prescription, contact Pharmacy Advantage at 1-800-456-2112. You can also make this request online if you registered for an online account.

If you never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy contacts you each time it gets a new prescription from a health care provider to find out if you want the medication filled and shipped immediately.

- This gives you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if necessary, allows you to cancel or delay the order before it's shipped
- Respond each time the pharmacy contacts you, to let them know what to do with the new prescription and to prevent any delays in shipping. To opt out of

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

automatic deliveries of new prescriptions you get directly from your health care provider's office, contact Pharmacy Advantage at 1-800-456-2112. You can also opt out online if you registered for an online account with Pharmacy Advantage.

3. Refills on mail-order prescriptions

For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we start to process your next refill automatically when our records show you should be close to running out of your drug.

- The pharmacy contacts you before shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough medication or your medication has changed.
- If you choose not to use our auto refill program, contact your pharmacy 14 days before your current prescription will run out to make sure your next order is shipped to you in time.

To opt out of our program that automatically prepares mail-order refills, contact Pharmacy Advantage at 1-800-456-2112.

Let the pharmacy know the best ways to contact you so they can reach you to confirm your order before shipping. The pharmacy may have several ways you can communicate with them. You can call the mail-order pharmacy at 1-800-456-2112 to find out which option is best for you and let them know what you prefer.

A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's *Drug List*. Maintenance drugs are drugs you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 102-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call your care coordinator or Member Services for more information.

For certain kinds of drugs, you can use our plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to **Section A6** to learn about mail-order services.

A8. Using a pharmacy not in our plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you aren't able to use a network pharmacy. We have network pharmacies outside of our service area where you can get prescriptions filled as a member of our plan. In these cases, check with your care coordinator or Member Services first to find out if there's a network pharmacy nearby.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

We will pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- Special circumstances such as an emergency or an illness or injury while traveling outside of our service area where there are no network pharmacies.
- Day supply and step therapy requirements still apply at out of network pharmacies.

If you use an out-of-network pharmacy, you may have to pay the full cost when you get your prescription. If you were unable to use a network pharmacy and had to pay for your prescription, refer to **Chapter 7**.

A9. Paying you back for a prescription

If you must use an out-of-network pharmacy, you must generally pay the full cost when you get your prescription. You can ask us to pay you back.

To learn more about this, refer to **Chapter 7** of this *Member Handbook*.

B. Our plan's *Drug List*

We have a *List of Covered Drugs*. We call it the “*Drug List*” for short.

We select the drugs on the *Drug List* with the help of a team of doctors and pharmacists. The *Drug List* also tells you the rules you need to follow to get your drugs.

We generally cover a drug on our plan's *Drug List* when you follow the rules we explain in this chapter.

B1. Drugs on our *Drug List*

Our *Drug List* includes drugs covered under Medicare Part D and some prescription and over-the-counter (OTC) drugs and products covered under Michigan Medicaid.

Our *Drug List* includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a drug sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. On our *Drug List*, when we refer to “drugs” this could mean a drug or a biological product. Generic drugs have the same active ingredients as brand name drugs. Biological products have alternatives called biosimilars. Generally, generic drugs and biosimilars work just as well as brand name or original biological products and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

Refer to **Chapter 12** for definitions of the types of drugs that may be on the *Drug List*.

Our plan also covers certain OTC drugs and products. Some OTC drugs cost less than prescription drugs and work just as well. For more information, call Member Services.

B2. How to find a drug on our *Drug List*

To find out if a drug you take is on our *Drug List*, you can:

- Visit our plan's website at **HAPCareSource.com**. The *Drug List* on our website is always the most current one.
- Call your care coordinator or Member Services to find out if a drug is on our *Drug List* or to ask for a copy of the list.
- Use our "Real Time Benefit Tool" at express-scripts.com/frontend/medicare-oe/hapcaresource to search for drugs on the *Drug List* to get an estimate of what you'll pay and if there are alternative drugs on the *Drug List* that could treat the same condition. You can also call your care coordinator or Member Services.

B3. Drugs not on our *Drug List*

We don't cover all drugs.

- Some drugs aren't on our *Drug List* because the law doesn't allow us to cover those drugs.
- In other cases, we decided not to include a drug on our *Drug List*.
- In some cases, you may be able to get a drug that isn't on our *Drug List*. For more information refer to **Chapter 9**.

Our plan doesn't pay for the kinds of drugs described in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you may need to pay for it yourself. If you think we should pay for an excluded drug because of your case, you can make an appeal. Refer to **Chapter 9** of this *Member Handbook* for more information about appeals.

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Medicare Part D and Michigan Medicaid drugs) can't pay for a drug that Medicare Part A or Medicare Part B already covers. Our plan covers drugs covered under Medicare Part A or Medicare Part B for free, but these drugs aren't considered part of your outpatient drug benefits.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

2. Our plan can't cover a drug purchased outside the United States and its territories.
3. Use of the drug must be approved by the FDA or supported by certain medical references as a treatment for your condition. Your doctor or other provider may prescribe a certain drug to treat your condition, even though it wasn't approved to treat the condition. This is called "off-label use." Our plan usually doesn't cover drugs prescribed for off-label use.

Also, by law, Medicare or Michigan Medicaid can't cover the types of drugs listed below.

- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth
- Drugs used for the treatment of sexual or erectile dysfunction
- Outpatient drugs made by a company that says you must have tests or services done only by them

B4. *Drug List* cost-sharing tiers

Every drug on our *Drug List* is in one of 5 tiers. A tier is a group of drugs of generally the same type (for example, brand name, generic, or OTC drugs). In general, the higher the cost-sharing tier, the higher your cost for the drug.

- Tier 1 includes preferred generic drugs.
- Tier 2 includes generic drugs.
- Tier 3 includes preferred brand drugs.
- Tier 4 includes non-preferred drugs.
- Tier 5 includes specialty drugs.

To find out which cost-sharing tier your drug is in, look for the drug on our Drug List.

Chapter 6 of this Member Handbook tells the amount you pay for drugs in each tier.

C. Limits on some drugs

For certain drugs, special rules limit how and when our plan covers them. Generally, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug works just as well as a higher-cost drug, we expect your provider to prescribe the lower-cost drug.

Note that sometimes a drug may appear more than once in our *Drug List*. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your provider, and different restrictions may apply to the different versions of the drugs (for example, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid.)

If there's a special rule for your drug, it usually means that you or your provider must take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider thinks our rule shouldn't apply to your situation, ask us to use the coverage decision process to make an exception. We may or may not agree to let you use the drug without taking extra steps.

To learn more about asking for exceptions, refer to **Chapter 9** of this *Member Handbook*.

1. Limiting use of a brand name drug or original biological products when, respectively, a generic or interchangeable biosimilar version is available

Generally, a generic drug or interchangeable biosimilar works the same as a brand name drug or original biological product and usually costs less. In most cases, if there's a generic or interchangeable biosimilar version of a brand name drug or original biological product available, our network pharmacies give you, respectively, the generic or interchangeable biosimilar version.

- We usually don't pay for the brand name drug or original biological product when there's an available generic version.
- However, if your provider told us the medical reason that the generic drug or interchangeable biosimilar won't work for you or told us the medical reason that the generic drug, interchangeable biosimilar, or other covered drugs that treat the same condition won't work for you, then we cover the brand name drug.

2. Getting plan approval in advance

For some drugs, you or your prescriber must get approval from our plan before you fill

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

your prescription. This is called prior authorization. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you don't get approval, we may not cover the drug. Call Member Services at the number at the bottom of the page or on our website at **CareSource.com/mi/plans/mich** for more information about prior authorization.

3. Trying a different drug first

In general, we want you to try lower-cost drugs that are as effective before we cover drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, we may require you to try Drug A first.

If Drug A doesn't work for you, then we cover Drug B. This is called step therapy. Call Member Services at the number at the bottom of the page or on our website at **CareSource.com/mi/plans/mich** for more information about step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, if it's normally considered safe to take only one pill per day for a certain drug, we might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check our *Drug List*. For the most up-to-date information, call Member Services or check our website at **HAPCareSource.com**. If you disagree with our coverage decision based on any of the above reasons you may request an appeal. Please refer to **Chapter 9** of this *Member Handbook*.

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug may not be covered in the way that you like. For example:

- Our plan doesn't cover the drug you want to take. The drug may not be on our *Drug List*. We may cover a generic version of the drug but not the brand name version you want to take. A drug may be new, and we haven't reviewed it for safety and effectiveness yet.
- Our plan covers the drug, but there are special rules or limits on coverage. As explained in the section above, some drugs our plan covers have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

There are things you can do if we don't cover a drug the way you want us to cover it.

D1. Getting a temporary supply

In some cases, we can give you a temporary supply of a drug when the drug isn't on our *Drug List* or is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you've been taking:

- is no longer on our *Drug List* or
- was never on our *Drug List* or
- is now limited in some way.

2. You must be in one of these situations:

- You were in our plan last year.
 - We cover a temporary supply of your drug during the first 90 days of the calendar year.
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.
- You're new to our plan.
 - We cover a temporary supply of your drug **during the first 90 days of your membership in our plan.**
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.
- You've been in our plan for more than 90 days, live in a long-term care facility,

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

and need a supply right away.

- We cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the temporary supply above.
- If you have an unplanned transition during the plan year, we may cover a one-time temporary supply of your drugs up to a 31-day supply. An unplanned transition happens when you change treatment settings such as being discharged from the hospital to home or ending your skilled nursing facility stay.

D2. Asking for a temporary supply

To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, talk with your provider as soon as possible to decide what to do when your supply runs out. Here are your choices:

- Change to another drug.

Our plan may cover a different drug that works for you. Call Member Services to ask for a list of drugs we cover that treat the same medical condition. The list can help your provider find a covered drug that may work for you.

OR

- Ask for an exception.

You and your provider can ask us to make an exception. For example, you can ask us to cover a drug that isn't on our *Drug List* or ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

For Michigan Medicaid drugs:

You're new to the plan.

We'll cover a supply of your Michigan Medicaid drug for up to 90 calendar days after enrollment and won't terminate it at the end of the 90 calendar days without advance notice to you and a transition to another drug, if needed.

E. Coverage changes for your drugs

Most changes in drug coverage happen on January 1, but we may add or remove drugs on our *Drug List* during the year. We may also change our rules about drugs. For example, we may:

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- Decide to require or not require prior authorization for a drug (permission from us before you can get a drug).
- Add or change the amount of a drug you can get (quantity limits).
- Add or change step therapy restrictions on a drug (you must try one drug before we cover another drug).
- Replace an original biological product with an interchangeable biosimilar version of the biological product.

We must follow Medicare requirements before we change our plan's *Drug List*. For more information on these drug rules, refer to **Section C**.

If you take a drug that we covered at the **beginning** of the year, we generally won't remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on our *Drug List* now, **or**
- we learn that a drug isn't safe, **or**
- a drug is removed from the market.

What happens if coverage changes for a drug you're taking?

To get more information on what happens when our *Drug List* changes, you can always:

- Check our current *Drug List* online at **CareSource.com/mi/plans/mich/plan-documents or**
- Call Member Services at the number at the bottom of the page to check our current *Drug List*.

Changes we may make to the *Drug List* that affect you during the current plan year

Some changes to the *Drug List* will happen immediately. For example:

- A new generic drug becomes available. Sometimes, a new generic drug or biosimilar comes on the market that works as well as a brand name drug or original biological product on the *Drug List* now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same.

When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- We may not tell you before we make this change, but we'll send you information about the specific change we made once it happens.
- You or your provider can ask for an "exception" from these changes. We'll send you a notice with the steps you can take to ask for an exception. Please refer to **Chapter 9** of this handbook for more information on exceptions.

Removing unsafe drugs and other drugs that are taken off the market. Sometimes a drug may be found unsafe or taken off the market for another reason. If this happens, we may immediately take it off our *Drug List*. If you're taking the drug, we'll send you a notice after we make the change. Your prescriber will also know about this change and can work with you to find another drug for your condition.

We may make other changes that affect the drugs you take. We tell you in advance about these other changes to our *Drug List*. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.

When these changes happen, we:

- Tell you at least 30 days before we make the change to our *Drug List* **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This gives you time to talk to your doctor or other prescriber. They can help you decide:

- If there's a similar drug on our *Drug List* you can take instead **or**
- If you should ask for an exception from these changes to continue covering the drug or the version of the drug you've been taking. To learn more about asking for exceptions, refer to **Chapter 9** of this *Member Handbook*.

Changes to the *Drug List* that don't affect you during this plan year

We may make changes to drugs you take that aren't described above and don't affect you now. For such changes, if you're taking a drug we covered at the **beginning** of the year, we generally don't remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you're taking or limit its use, then the change doesn't affect your use of the drug for the rest of the year.

If any of these changes happen for a drug you're taking (except for the changes noted in the section above), the change won't affect your use until January 1 of the next year.

We won't tell you about these types of changes directly during the current year. You'll need to check the *Drug List* for the next plan year (when the list is available during the open enrollment

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

period) to see if there are any changes that will impact you during the next plan year.

F. Drug coverage in special cases

F1. In a hospital or a skilled nursing facility for a stay that our plan covers

If you're admitted to a hospital or skilled nursing facility for a stay our plan covers, we generally cover the cost of your drugs during your stay. You won't pay a copay. Once you leave the hospital or skilled nursing facility, we cover your drugs as long as the drugs meet all of our coverage rules.

F2. In a long-term care facility

Usually, a long-term care facility, such as a nursing facility, has its own pharmacy or a pharmacy that supplies drugs for all of their residents. If you live in a long-term care facility, you may get your drugs through the facility's pharmacy if it's part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it isn't or if you need more information, contact Member Services.

F3. In a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- You may be enrolled in a Medicare hospice and require certain drugs (e.g., pain, anti-nausea drugs, laxative, or anti-anxiety drugs) that your hospice doesn't cover because it isn't related to your terminal prognosis and conditions. In that case, our plan must get notification from the prescriber or your hospice provider that the drug is unrelated before we can cover the drug.
- To prevent delays in getting any unrelated drugs that our plan should cover, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan covers all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, take documentation to the pharmacy to verify that you left hospice.

Refer to earlier parts of this chapter that tell about drugs our plan covers. Refer to **Chapter 4** of this *Member Handbook* for more information about the hospice benefit.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

G. Programs on drug safety and managing drugs

G1. Programs to help you use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- may not be needed because you take another similar drug that does the same thing
- may not be safe for your age or gender
- could harm you if you take them at the same time
- have ingredients that you are or may be allergic to
- may be an error in the amount (dosage)
- have unsafe amounts of opioid pain medications

If we find a possible problem in your use of drugs, we work with your provider to correct the problem.

G2. Programs to help you manage your drugs

Our plan has a program to help members with complex health needs. In such cases, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program is voluntary and free. This program helps you and your provider make sure that your medications are working to improve your health. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all of your medications and talk with you about:

- how to get the most benefit from the drugs you take
- any concerns you have, like medication costs and drug reactions
- how best to take your medications
- any questions or problems you have about your prescription and over-the-counter medication

Then, they'll give you:

- A written summary of this discussion. The summary has a medication action plan that recommends what you can do for the best use of your medications.
- A personal medication list that includes all medications you take, how much you take, and when and why you take them.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- Information about safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your prescriber about your action plan and medication list.

- Take your action plan and medication list to your visit or anytime you talk with your doctors, pharmacists, and other health care providers.
- Take your medication list with you if you go to the hospital or emergency room.

MTM programs are voluntary and free to members who qualify. If we have a program that fits your needs, we enroll you in the program and send you information. If you don't want to be in the program, let us know, and we'll take you out of it.

If you have questions about these programs, contact Member Services at 1-833-230-2073, 8 a.m. to 5:30 p.m., Monday through Friday.

G3. Drug management program (DMP) to help members safely use opioid medications

We have a program that helps make sure members safely use prescription opioids and other frequently abused medications. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several prescribers or pharmacies or if you had a recent opioid overdose, we may talk to your prescriber to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescriber, if we decide your use of prescription opioid or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may include:

- Requiring you to get all prescriptions for opioid or benzodiazepine medications from a certain pharmacy(ies)
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
- Limiting the amount of opioid or benzodiazepine medications we'll cover for you

If we plan on limiting how you get these medications or how much you can get, we'll send you a letter in advance. The letter will tell you if we'll limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific provider or pharmacy.

You'll have a chance to tell us which prescribers or pharmacies you prefer to use and any information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we'll send you another letter that confirms the limitations.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

If you think we made a mistake, you disagree with our decision or the limitation, you and your prescriber can make an appeal. If you appeal, we'll review your case and give you a new decision. If we continue to deny any part of your appeal related to limitations that apply to your access to medications, we'll automatically send your case to an Independent Review Organization (IRO). (To learn more about appeals and the IRO, refer to **Chapter 9** of this *Member Handbook*.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057** (TTY: **1-833-711-4711 or 711**). We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

Chapter 6: What you pay for your Medicare and Michigan Medicaid drugs

Introduction

This chapter tells what you pay for your outpatient drugs. By “drugs,” we mean:

- Medicare Part D drugs, **and**
- Drugs and items covered under Medicaid, **and**

Because you’re eligible for Michigan Medicaid, you get Extra Help from Medicare to help pay for your Medicare Part D drugs.

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

To learn more about drugs, you can look in these places:

- Our *List of Covered Drugs*.
 - We call this the *Drug List*. It tells you:
 - which drugs we pay for
 - if there are any limits on the drugs
 - If you need a copy of our *Drug List*, call Member Services. You can also find the most current copy of our *Drug List* on our website at **HAPCareSource.com**.
- **Chapter 5** of this *Member Handbook*.
 - It tells how to get your outpatient drugs through our plan.
 - It includes rules you need to follow. It also tells which types of drugs our plan doesn’t cover.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- When you use the plan's "Real Time Benefit Tool" to look up drug coverage (refer to **Chapter 5, Section B2**), the cost shown is an estimate of the out-of-pocket costs you're expected to pay. You can call your Care Coordinator or Member Services for more information.
- Our *Provider and Pharmacy Directory*.
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that agree to work with us.
 - The *Provider and Pharmacy Directory* lists our network pharmacies. Refer to **Chapter 5** of this *Member Handbook* for more information about network pharmacies.

A. The *Explanation of Benefits* (EOB)

Our plan keeps track of your drug costs and the payments you make when you get prescriptions at the pharmacy. We track two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).
- Your **total drug costs**. This is the total of all payments made for your covered Part D drugs. It includes what our plan paid, and what other programs or organizations paid for your covered Part D drugs.

When you get drugs through our plan, we send you a summary called the *Explanation of Benefits*. We call it the EOB for short. The EOB isn't a bill. The EOB has more information about the drugs you take. The EOB includes:

- **Information for the month**. The summary tells what drugs you got for the previous month. It shows the total drug costs, what we paid, and what you and others paid for you.
- **Totals for the year since January 1**. This shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information**. This is the total price of the drug and changes in the drug price since the first fill for each prescription claim of the same quantity.
- **Lower cost alternatives**. When applicable, information about other available drugs with lower cost sharing for each prescription.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs don't count towards your total out-of-pocket costs.
- To find out which drugs our plan covers, refer to our *Drug List*.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This helps us know what prescriptions you fill and what you pay.

2. Make sure we have the information we need.

Give us copies of receipts for covered drugs that you paid for. You can ask us to pay you back for the drug.

Here are examples of when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or use a discount card that isn't part of our plan's benefit.
- When you pay a copay for drugs that you get under a drug maker's patient assistance program.
- When you buy covered drugs at an out-of-network pharmacy.
- When you pay the full price for a covered drug under special circumstances.

For more information about asking us to pay you back for a drug, refer to **Chapter 7** of this *Member Handbook*.

3. Send us information about payments others make for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by a State Pharmaceutical Assistance Program, an AIDS drug assistance program (ADAP), the Indian Health Service, and most charities count toward your out-of-pocket costs.

4. Check the EOBs we send you.

When you get an EOB in the mail, make sure it's complete and correct.

- **Do you recognize the name of each pharmacy?** Check the dates. Did you get drugs that day?
- **Did you get the drugs listed?** Do they match those listed on your receipts?

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

Do the drugs match what your doctor prescribed?

B1. What if you find mistakes on this summary?

If something is confusing or doesn't seem right on this EOB, please call us at HAP CareSource MI Coordinated Health Member Services. You can also find answers to many questions on our website: **HAPCareSource.com**.

B2. What about possible fraud?

If this summary shows drugs you're not taking or anything else that seems suspicious to you, please contact us.

- Call us at HAP CareSource MI Coordinated Health Member Services.
- Or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can call these numbers for free.
- Michigan you can report fraud by calling toll free at 855-MI-FRAUD (643-7283) Monday - Friday, 8:00 am to 5:00 pm. You can also submit an online complaint at www.michigan.gov/mdhhs/doing-business/providers/providers/billingreimbursement/report-medicaid-fraud-and-abuse and you may find information on our website at www.michigan.gov/mdhhs/inside-mdhhs/office-of-inspector-general/contact-us, or you can write to the inspector general at Office of Inspector General

C. You pay nothing for a one-month or long-term supply of drugs

With our plan, you pay nothing for covered drugs as long as you follow our rules.

C1. Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- a network pharmacy, **or**
- an out-of-network pharmacy. In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to **Chapter 5** of this *Member Handbook* to find out when we do that.
- Our plan's mail-order pharmacy.

Refer to **Chapter 9** of this *Member Handbook* to learn about how to file an appeal if you're told a drug won't be covered. To learn more about these pharmacy choices, refer to **Chapter 5** of this *Member Handbook* and our *Provider and Pharmacy Directory*.

C2. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an "extended supply") when you fill your prescription. A long-term supply is up to a 102-day supply. There's no cost to you for a long-term supply.

For details on where and how to get a long-term supply of a drug, refer to Chapter 5 of this *Member Handbook* or our *Provider and Pharmacy Directory*.

D. What you pay for Part D vaccines

Important message about what you pay for vaccines: Some vaccines are considered medical benefits and are covered under Medicare Part B. Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in our *Drug List*. Our plan covers most adult Medicare Part D vaccines at no cost to you. Refer to our plan's *Drug List* or contact Member Services for coverage and cost sharing details about specific vaccines.

There are two parts to our coverage of Medicare Part D vaccines:

1. The first part is for the cost of the vaccine itself.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

2. The second part is for the cost of giving you the vaccine. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

D1. What you need to know before you get a vaccine

We recommend that you call your care coordinator or Member Services if you plan to get a vaccine.

- We can tell you about how our plan covers your vaccine.
- We can tell you how to keep your costs down by using network pharmacies and providers. Network pharmacies and providers agree to work with our plan. A network provider works with us to ensure that you have no upfront costs for a Medicare Part D vaccine.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

Chapter 7: Asking us to pay a bill you got for covered services or drugs

Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you don't agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

Table of Contents

A. Asking us to pay for your services or drugs.....	151
B. Sending us a request for payment.....	154
C. Coverage decisions.....	154
D. Appeals	155

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057** (TTY: **1-833-711-4711 or 711**). We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

A. Asking us to pay for your services or drugs

You shouldn't get a bill for in-network services or drugs. Our network providers must bill the plan for your covered services and drugs after you get them. A network provider is a provider who works with the health plan.

We don't allow HAP CareSource MI Coordinated Health providers to bill you for these services or drugs. We pay our providers directly, and we protect you from any charges.

If you get a bill for health care or drugs, don't pay the bill and send the bill to us.

To send us a bill, refer to Section A2.

- If we cover the services or drugs, we'll pay the provider directly.
- If we cover the services or drugs and you already paid the bill, it's your right to be paid back.
 - If you paid for services covered by Medicare, we'll pay you back.
 - If you paid for services covered by Michigan Medicaid we can't pay you back, but the provider will. Member Services or your Care Coordinator and/or ombudsperson. can help you contact the provider's office. Refer to the bottom of the page for the Member Services phone number.
- If we don't cover the services or drugs, we'll tell you.

Contact your Care Coordinator or Member Services if you have any questions. If you get a bill and you don't know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Examples of times when you may need to ask us to pay you back or to pay a bill you got include:

1. When you get emergency or urgently needed health care from an out-of-network provider

Ask the provider to bill us.

- If you pay the full amount when you get the care, ask us to pay you back. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we'll pay the provider directly.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- If you already paid for the Medicare service, we'll pay you back.

2. When a network provider sends you a bill

Network providers must always bill us. It's important to show your Member ID Card when you get any services or prescriptions. But sometimes they make mistakes and ask you to pay for your services or more than your share of the costs. **Call your Care Coordinator or Member Services** at the number at the bottom of this page **if you get any bills.**

- Because we pay the entire cost for your services, you aren't responsible for paying any costs. Providers shouldn't bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We'll contact the provider directly and take care of the problem.
- If you already paid a bill from a network provider for Medicare-covered services, send us the bill and proof of any payment you made. We'll pay you back for your covered services. HAP CareSource is not allowed to reimburse members for Medicaid-covered benefits.

3. If you're retroactively enrolled in our plan

Sometimes your enrollment in the plan can be retroactive. (This means that the first day of your enrollment has passed. It may have even been last year.)

- If you were enrolled retroactively and you paid a bill after the enrollment date, you can ask us to pay you back.
- Send us the bill and proof of any payment you made.

4. When you use an out-of-network pharmacy to fill a prescription

If you use an out-of-network pharmacy, you pay the full cost of your prescription.

- In only a few cases, we'll cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back.
- Refer to **Chapter 5** of this *Member Handbook* to learn more about out-of-network pharmacies.
- We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we'd pay at an in-network pharmacy.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

5. When you pay the full prescription cost because you don't have your Member ID Card with you

If you don't have your Member ID Card with you, you can ask the pharmacy to call us or look up your plan enrollment information.

- If the pharmacy can't get the information right away, you may have to pay the full prescription cost yourself or return to the pharmacy with your Member ID Card.
- Send us a copy of your receipt when you ask us to pay you back.
- We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full prescription cost for a drug that's not covered

You may pay the full prescription cost because the drug isn't covered.

- The drug may not be on our *List of Covered Drugs (Drug List)* on our website, or it may have a requirement or restriction that you don't know about or don't think applies to you. If you decide to get the drug, you may need to pay the full cost.
 - If you don't pay for the drug but think we should cover it, you can ask for a coverage decision (refer to **Chapter 9** of this *Member Handbook*).
 - If you and your doctor or other prescriber think you need the drug right away, (within 24 hours), you can ask for a fast coverage decision (refer to **Chapter 9** of this *Member Handbook*).
- Send us a copy of your receipt when you ask us to pay you back. In some cases, we may need to get more information from your doctor or other prescriber to pay you back for the drug. We may not pay you back the full cost you paid if the price you paid is higher than our negotiated price for the prescription.

When you send us a request for payment, we review it and decide whether the service or drug should be covered. This is called making a "coverage decision." If we decide the service or drug should be covered, we pay for it.

If we deny your request for payment, you can appeal our decision. To learn how to make an appeal, refer to **Chapter 9** of this *Member Handbook*.

B. Sending us a request for payment

Send us your bill and proof of any payment you made for Medicare services. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It's a good idea to make a copy of your bill and receipts for your records.** You can ask your Care Coordinator for help. You must submit your claim to us within 365 days of the date you received the medical service or item and 36 months from the date you received the prescription drug.

To make sure you give us all the information we need to decide, you can fill out our claim form to ask for payment.

- You aren't required to use the form, but it helps us process the information faster.
- You can get the form on our website (**HAPCareSource.com**), or you can call Member Services and ask for the form.

Mail your request for payment together with any bills or receipts to this address:

Medical

HAP CareSource
Attn: Grievance & Appeals
P.O. Box 1025
Dayton, OH 45401

Pharmacy

Express Scripts
Attn: Medicare Part D
P.O. Box 52023
Phoenix, AZ 85082

Oral requests for pharmacy reimbursement are not allowed.

C. Coverage decisions

When we get your request for payment, we make a coverage decision. This means that we decide if our plan covers your service, item, or drug. We also decide the amount of money, if any, you must pay.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- We'll let you know if we need more information from you.
- If we decide that our plan covers the service, item, or drug and you followed all the rules for getting it, we'll pay for it. If you already paid for the service or drug, we'll mail you a check for what you paid. If you paid the full cost of a drug, you might not be reimbursed the full amount you paid (for example, if you got a drug at an out-of-network pharmacy or if the cash price you paid is higher than our negotiated price). If you haven't paid, we'll pay the provider directly.

Chapter 3 of this *Member Handbook* explains the rules for getting your services covered. **Chapter 5** of this *Member Handbook* explains the rules for getting your Medicare Part D drugs covered.

- If we decide not to pay for our share of the cost of the service or drug, we'll send you a letter with the reasons. The letter also explains your rights to make an appeal.
- To learn more about coverage decisions, refer to **Chapter 9**.

D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called "making an appeal." You can also make an appeal if you don't agree with the amount we pay.

The formal appeals process has detailed procedures and deadlines. To learn more about appeals, refer to **Chapter 9** of this *Member Handbook*.

- To make an appeal about getting paid back for a health care service, refer to **Section F**.
- To make an appeal about getting paid back for a drug, refer to **Section G**.

 - put in writing why something isn't covered
 - change a decision we made
 - pay for a bill you got

E. Inability of network providers to bill you directly

Doctors, hospitals, and other providers in our network can't make you pay for covered services. They also can't balance bill or charge you if we pay less than the amount the provider charged. To learn what to do if a network provider tries to charge you for covered services, refer to **Chapter 7** of this *Member Handbook*.

F. Your right to leave our plan

No one can make you stay in our plan if you don't want to.

- You have the right to get most of your health care services through Original Medicare or another Medicare Advantage (MA) plan.
- You can get your Medicare Part D drug benefits from a drug plan or from another MA plan.

G. Your right to make decisions about your health care

You have the right to full information from your doctors and other health care providers to help you make decisions about your health care.

G1. Your right to know your treatment choices and make decisions

Your providers must explain your condition and your treatment choices in a way that you can

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

understand. You have the right to:

- **Know your choices.** You have the right to be told about all treatment options.
- **Know the risks.** You have the right to be told about any risks involved. We must tell you in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
- **Get a second opinion.** You have the right to use another doctor before deciding on treatment.
- **Say no.** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You have the right to stop taking a prescribed drug. If you refuse treatment or stop taking a prescribed drug, we won't drop you from our plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider denied care that you think you should get.
- **Ask us to cover a service or drug that we denied or usually don't cover.** This is called a coverage decision. **Chapter 9** of this *Member Handbook* tells how to ask us for a coverage decision.

G2. Your right to say what you want to happen if you can't make health care decisions for yourself

In Michigan, you can create a legal document called a **Durable Power of Attorney for Health Care (DPOA-HC)**. This document allows you to name a **patient advocate** who can make medical decisions for you if you become incapacitated and can't make your own decisions. The DPOA-HC may include an "Advance Directive" as described below. Sometimes people can't make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form **giving someone the right to make health care decisions for you** if you ever can't make decisions for yourself.
- **Give your doctors written instructions** about how to handle your health care if you can't make decisions for yourself, including care you **don't** want.

The legal document you use to give your directions is called an "advance directive." There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You aren't required to have an advance directive, but you can. Here's what to do if you want to use an advance directive:

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- **Get the form.** You can get the form from your doctor, a lawyer, a social worker, or some office supply stores. Pharmacies and provider offices often have the forms. You can find a free form online and download it. You can also contact Member Services to ask for the form.
- **Fill out the form and sign it.** The form is a legal document. Consider having a lawyer or someone else you trust, such as a family member or your PCP, help you complete it.
- **Give copies of the form to people who need to know.** Give a copy of the form to your doctor. You should also give a copy to the person you name to make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.
- If you're being hospitalized and you have a signed advance directive, **take a copy of it to the hospital.**
 - The hospital will ask if you have a signed advance directive form and if you have it with you.
 - If you don't have a signed advance directive form, the hospital has forms and will ask if you want to sign one.

You have the right to:

- Have your advance directive placed in your medical records.
- Change or cancel your advance directive at any time.

By law, no one can deny you care or discriminate against you based on whether you signed an advance directive. Call Member Services for more information.

G3. What to do if your instructions aren't followed

If you signed an advance directive and you think a doctor or hospital didn't follow the instructions in it, you can make a complaint with the Michigan Department of Licensing and Regulatory Affairs, Bureau of Community and Health Systems at 1-800-882-6006.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

H. Your right to make complaints and ask us to reconsider our decisions

Chapter 9 of this *Member Handbook* tells you what you can do if you have any problems or concerns about your covered services or care. For example, you can ask us to make a coverage decision, make an appeal to change a coverage decision, or make a complaint.

You have the right to get information about appeals and complaints that other plan members have filed against us. Call Member Services to get this information.

H1. What to do about unfair treatment or to get more information about your rights

Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Introduction

This chapter has information about your rights. Read this chapter to find out what to do if:

- You have a problem with or complaint about our plan.
- You need a service, item, or medication that our plan said it won't pay for.
- You disagree with a decision your plan made about your care.
- You think our covered services are ending too soon.

This chapter is in different sections to help you easily find what you're looking for. **If you have a problem or concern, read the parts of this chapter that apply to your situation.**

You should get the health care, drugs, long-term supports and services, and other supports and services that your doctor and other providers determine are necessary for your care as a part of your care plan. You should try to work with your providers and HAP CareSource MI Coordinated Health first. **If you're still having a problem with your care or our plan, you can call the MI Community, Home, and Health Ombudsman (MI CHHO) at 1-888-746-6456.** This chapter explains the different options you have for different problems and complaints, but you can always call the MI CHHO to help guide you through your problem. For additional resources to address your concerns and ways to contact them, refer to **Chapter 2** for more information on ombudsman programs.

A. What to do if you have a problem or concern

This chapter explains how to handle problems and concerns. The process you use depends on the type of problem you have. Use one process for **coverage decisions and appeals** and another for **making complaints** (also called grievances).

To ensure fairness and promptness, each process has a set of rules, procedures, and deadlines that we and you must follow.

A1. About the legal terms

There are legal terms in this chapter for some rules and deadlines. Many of these terms can be hard to understand, so we use simpler words in place of certain legal terms when we can. We use abbreviations as little as possible.

For example, we say:

- “Making a complaint” instead of “filing a grievance”
- “Coverage decision” instead of “organization determination”, “benefit determination”, “at-risk determination”, or “coverage determination”
- “Fast coverage decision” instead of “expedited determination”
- “Independent Review Organization” (IRO) instead of “Independent Review Entity” (IRE)

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to get help

B1. For more information and help

Sometimes it’s confusing to start or follow the process for dealing with a problem. This can be especially true if you don’t feel well or have limited energy. Other times, you may not have the information you need to take the next step.

Help from our plan You can call our plan at 1-833-230-2057 (TTY: 1-833-711-4711 or 711) to help deal with a problem or answer questions.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

Help from the State Health Insurance Assistance Program (SHIP), MI Options

You can call the State Health Insurance Assistance Program (SHIP), MI Options. State Health Insurance Assistance Program (SHIP) MI Options counselors can answer your questions and help you understand what to do about your problem. MI Options isn't connected with us or with any insurance company or health plan. State Health Insurance Assistance Program (SHIP), MI Options has trained counselors in every county, and services are free.

The State Health Insurance Assistance Program (SHIP), MI Options phone number is 1-800-803-7174 (TTY: 711), 8 a.m. – 5 p.m., Monday – Friday.

Help and information from Medicare

For more information and help, you can contact Medicare. Here are two ways to get help from Medicare:

- Call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.
- Visit the Medicare website (www.medicare.gov).

Help and information from Michigan Medicaid

You can call the Beneficiary Help Line at 1-800-642-3195 from 8:00 AM to 7:00 PM Monday through Friday (except holidays) or email beneficiarysupport@michigan.gov. The Beneficiary Support website can be found at www.michigan.gov/mdhhs/assistance-programs/medicaid/portalhome/beneficiaries/supportht.

C. Understanding Medicare and Michigan Medicaid complaints and appeals in our plan

You have Medicare and Michigan Medicaid. Information in this chapter applies to **all** your Medicare and Michigan Medicaid benefits. This is sometimes called an “integrated process” because it combines, or integrates, Medicare and Michigan Medicaid processes.

Sometimes Medicare and Michigan Medicaid processes can't be combined. In those situations, you use one process for a Medicare benefit and another process for a Michigan Medicaid benefit. **Section F4** explains these situations.

D. Problems with your benefits

If you have a problem or concern, read the parts of this chapter that apply to your situation. The following chart helps you find the right section of this chapter for problems or complaints.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

Is your problem or concern about your benefits or coverage?	
This includes problems about whether particular medical care (medical items, services, long term supports and services and/or Part B drugs) are covered or not, the way they're covered, and problems about payment for medical care.	
Yes. My problem is about benefits or coverage. Refer to Section E , "Coverage decisions and appeals."	No. My problem isn't about benefits or coverage. Refer to Section K , "How to make a complaint."

E. Coverage decisions and appeals

The process for asking for a coverage decision and making an appeal deals with problems related to your benefits and coverage for your medical care (services, items and Part B drugs, including payment). To keep things simple we generally refer to medical items, services, and Part B drugs as **medical care**. You use the coverage decision and appeals process for issues such as whether something is covered or not and the way in which something is covered.

NOTE: Medicaid specialty behavioral health services are covered by the Prepaid Inpatient Health Plan (PIHP). This includes mental health, intellectual/developmental disability, and substance use disorder services and supports. If the PIHP makes a coverage decision and you don't agree with it, you must appeal to the PIHP. Information about the PIHP in your area is found **Chapter 4** of this *Member Handbook*.

If you live in Macomb County, please contact your Care Coordinator or Member Services. If you live in Wayne County, the plan will refer you to the PIHP for this service.

E1. Coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we pay for your medical services or drugs. For example, if your plan network provider refers you to a medical specialist outside of the network, this referral is considered a favorable decision unless either your network provider can show that you received a standard denial notice for this medical specialist, or the referred service is never covered under any condition (refer to **Chapter 4, Section H** of this *Member Handbook*).

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

You or your doctor can also contact us and ask for a coverage decision. You or your doctor may be unsure whether we cover a specific medical service or if we may refuse to provide medical care you think you need. **If you want to know if we'll cover a medical service before you get it, you can ask us to make a coverage decision for you.**

We make a coverage decision whenever we decide what's covered for you and how much we pay. In some cases, we may decide a service or drug isn't covered or is no longer covered for you by Medicare or Michigan Medicaid. If you disagree with this coverage decision, you can make an appeal.

E2. Appeals

If we make a coverage decision and you aren't satisfied with this decision, you can "appeal" the decision. An appeal is a formal way of asking us to review and change a coverage decision we made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check if we followed all rules properly. Different reviewers than those who made the original unfavorable decision handle your appeal.

When we complete the review, we give you our decision. Under certain circumstances, explained later in this chapter, you can ask for an expedited or "fast coverage decision" or "fast appeal" of a coverage decision.

If we say **No** to part or all of what you asked for, we'll send you a letter. If your problem is about coverage of a Medicare medical care, the letter will tell you that we sent your case to the Independent Review Organization (IRO) for a Level 2 Appeal. If your problem is about coverage of a Medicare Part D or Medicaid service or item, the letter will tell you how to file a Level 2 Appeal yourself. Refer to **Section F4** for more information about Level 2 Appeals. If your problem is about coverage of a service or item covered by both Medicare and Medicaid, the letter will give you information regarding both types of Level 2 Appeals.

If you aren't satisfied with the Level 2 Appeal decision, you may be able to go through additional levels of appeal.

E3. Help with coverage decisions and appeals

You can ask for help from any of the following:

- Call your **Care Coordinator** at **1-833-230-2057**.
- **Member Services** at the numbers at the bottom of the page.
- Call Michigan's State Health Insurance Assistance Program (SHIP), MI Options at 1-800-803-7174 (TTY: 711), 8 a.m. – 5 p.m., Monday – Friday.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- Call the **MI Community, Home, and Health Ombudsman (MI CHHO)** for free help. The MI CHHO can help you with questions about or problems with the MI Coordinated Health (MICH) program or our plan. The MI CHHO is an independent program, and is not connected with this plan. The phone number is 1-888-746-6456.
- **Your doctor or other provider.** Your doctor or other provider can ask for a coverage decision or appeal on your behalf.
- **A friend or family member.** You can name another person to act for you as your “representative” and ask for a coverage decision or make an appeal.
- **A lawyer.** You have the right to a lawyer, but **you aren’t required to have a lawyer** to ask for a coverage decision or make an appeal.
- Call your own lawyer, or get the name of a lawyer from the local bar association or other referral service. Some legal groups will give you free legal services if you qualify.
- **Michigan Long Term Care Ombudsman Program (MLTCOP)** - MLTCOP strives to improve the quality of care and quality of life experienced by residents who live in nursing homes, homes for the aged, and adult foster care homes. MLTCOP includes both the State Ombudsman and staff and a network of local ombudsmen whom the State Ombudsman program trains, designates, and supervises. To contact a local ombudsman in your area, call 866-485-9393 or send us an email mltcop.org/contact.

Fill out the Appointment of Representative form if you want a lawyer or someone else to act as your representative. The form gives someone permission to act for you.

Call Member Services at the numbers at the bottom of the page and ask for the “Appointment of Representative” form. You can also get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf. **You must give us a copy of the signed form.**

E4. Which section of this chapter can help you

There are four situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give details for each one in a separate section of this chapter. Refer to the section that applies:

- **Section F**, “Medical care”
- **Section G**, “Medicare Part D drugs”
- **Section H**, “Asking us to cover a longer hospital stay”

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- **Section I**, “Asking us to continue covering certain medical services” (This section only applies to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services.)

If you’re not sure which section to use, call Member Services at the numbers at the bottom of the page.

F. Medical care

This section explains what to do if you have problems getting coverage for medical care or if you want us to pay you back for your care.

This section is about your benefits for medical care that’s described in **Chapter 4** of this *Member Handbook* in the benefits chart. In some cases, different rules may apply to a Medicare Part B drug. When they do, we explain how rules for Medicare Part B prescription drugs differ from rules for medical services and items.

F1. Using this section

This section explains what you can do in any of the five following situations:

1. You think we cover medical care you need but aren’t getting.

What you can do: You can ask us to make a coverage decision. Refer to **Section F2**.

2. We didn’t approve the medical care your doctor or other health care provider wants to give you, and you think we should.

What you can do: You can appeal our decision. Refer to **Section F3**.

3. You got medical care that you think we cover, but we won’t pay.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

What you can do: You can appeal our decision not to pay. Refer to **Section F5**.

4. You got and paid for medical care you thought we cover, and you want us to pay you back.

What you can do: You can ask us to pay you back. Refer to **Section F5**.

5. We reduced or stopped your coverage for certain medical care, and you think our decision could harm your health.

What you can do: You can appeal our decision to reduce or stop the medical care. Refer to **Section F4**.

- If the coverage is for hospital care, home health care, skilled nursing facility care, or CORF services, special rules apply. Refer to **Section H** or **Section I** to find out more.
- For all other situations involving reducing or stopping your coverage for certain medical care, use this section (**Section F**) as your guide.

F2. Asking for a coverage decision

When a coverage decision involves your medical care, it's called an **integrated organization determination**.

You, your doctor, or your representative can ask us for a coverage decision by:

- Calling: **1-833-230-2057, TTY: 1-833-711-4711 or 711**
- Faxing: 1-844-633-0399
- Writing: HAP CareSource, P.O. Box 1307, Dayton, OH 45401-1307

Standard coverage decision

When we give you our decision, we use the “standard” deadlines unless we agree to use the “fast” deadlines. A standard coverage decision means we give you an answer within:

- **Seven calendar days** after we get your request **for a medical service or item that's subject to our prior authorization rules**.
- **14 calendar days** after we get your request **for all other medical services or items**.
- **72 hours** after we get your request **for a Medicare Part B drug**.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

For a medical item or service, we can take up to 14 more calendar days if you ask for more time or if we need more information that may benefit you (such as medical records from out-of-network providers). If we take extra days to make the decision, we'll tell you in writing. **We can't take extra days if your request is for a Medicare Part B drug.**

If you think we **shouldn't** take extra days, you can make a "fast complaint" about our decision to take extra days. When you make a fast complaint, we give you an answer to your complaint within 24 hours. The process for making a complaint is different from the process for coverage decisions and appeals. For more information about making a complaint, including a fast complaint, refer to **Section K**.

Fast coverage decision

The legal term for fast coverage decision is **expedited determination**.

When you ask us to make a coverage decision about your medical care and your health requires a quick response, ask us to make a "fast coverage decision." A fast coverage decision means we'll give you an answer about a:

- **72 hours** after we get your request for a medical service or item.
- **24 hours** after we get your request for a Medicare Part B drug.

For a medical item or service, we can take up to 14 more calendar days if we find information that may benefit you is missing (such as medical records from out-of-network providers) or if you need time to get us information for the review. If we take extra days to make the decision, we'll tell you in writing. **We can't take extra time if your request is for a Medicare Part B drug.**

If you think we **shouldn't** take extra days to make the coverage decision, you can make a "fast complaint" about our decision to take extra days. For more information about making a complaint, including a fast complaint, refer to **Section K**. We'll call you as soon as we make the decision.

To get a fast coverage decision, you must meet two requirements:

- You're asking for coverage for medical items and/or services that you **didn't get**. You can't ask for a fast coverage decision about payment for items or services you already got.
- Using the standard deadlines **could cause serious harm to your health** or hurt your ability to function.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

We automatically give you a fast coverage decision if your doctor tells us your health requires it. If you ask without your doctor's support, we decide if you get a fast coverage decision.

- If we decide that your health doesn't meet the requirements for a fast coverage decision, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast coverage decision if your doctor asks for it.
 - How you can file a "fast complaint" about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we say No to part or all of your request, we send you a letter explaining the reasons.

- If we say **No**, you have the right to make an appeal. If you think we made a mistake, making an appeal is a formal way of asking us to review our decision and change it.
- If you decide to make an appeal, you'll go on to Level 1 of the appeals process (refer to **Section F3**).

In limited circumstances we may dismiss your request for a coverage decision, which means we won't review the request. Examples of when a request will be dismissed include:

- if the request is incomplete,
- if someone makes the request on your behalf but isn't legally authorized to do so,
or
- if you ask for your request to be withdrawn.

If we dismiss a request for a coverage decision, we'll send you a notice explaining why the request was dismissed and how to ask for a review of the dismissal. This review is called an appeal. Appeals are discussed in the next section.

F3. Making a Level 1 Appeal

To start an appeal related to a denied service or item, or to continue a service or item you're already receiving, you, your doctor, or your representative must contact us. Call us at **1-833-230-2057** or write to us at the following address: HAP G&A, P.O. Box 1025, Dayton, OH 45401.

Ask for a standard appeal or a fast appeal in writing or by calling us at **1-833-230-2057**.

- If your doctor or other prescriber asks to continue a service or item you're already getting during your appeal, you may need to name them as your representative to act on your behalf.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- If someone other than your doctor makes the appeal for you, include an Appointment of Representative form authorizing this person to represent you. You can get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf.
- We can accept an appeal request without the form, but we can't begin or complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal:
 - We dismiss your request, and
 - We send you a written notice explaining your right to ask the IRO to review our decision to dismiss your appeal.
- You must ask for an appeal within 65 calendar days from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

The legal term for “fast appeal” is “**expedited reconsideration.**”

- If you appeal a decision we made about coverage for care, you and/or your doctor decide if you need a fast appeal.

We automatically give you a fast appeal if your doctor tells us your health require it. If you ask without your doctor's support, we decide if you get a fast appeal.

- If we decide that your health doesn't meet the requirements for a fast appeal, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast appeal if your doctor asks for it.
 - How you can file a “fast complaint” about our decision to give you a standard appeal instead of a fast appeal. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

If we tell you we're stopping or reducing services or items that you already get, you may be able to continue those services or items during your appeal.

- If we decide to change or stop coverage for a service or item that you get, we send you a notice before we take action.
- If you disagree with our decision, you can file a Level 1 Appeal.
- We continue covering the service or item if you ask for a Level 1 Appeal within ten calendar days of the date on our letter or by the intended effective date of the action, whichever is later.
- If you meet this deadline, you'll get the service or item with no changes while your Level 1 appeal is pending.
- You'll also get all other services or items (that aren't the subject of your appeal) with no changes.
- If you don't appeal before these dates, then your service or item won't be continued while you wait for your appeal decision.

We consider your appeal and give you our answer.

- When we review your appeal, we take another careful look at all information about your request for coverage of medical care.
- We check if we followed all the rules when we said **No** to your request.
- We gather more information if we need it. We may contact you or your doctor to get more information.

There are deadlines for a fast appeal.

- When we use the fast deadlines, we must give you our answer **within 72 hours after we get your appeal**. We'll give you our answer sooner if your health requires it. If we deny a fast appeal we'll give you, your doctor, prescriber, or representative verbal confirmation of the denial.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.
- If we need extra days to make the decision, we tell you in writing.
- If your request is for a Medicare Part B drug, we can't take extra time to make the decision.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- If we don't give you an answer within 72 hours or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. The IRO will notify you in writing when it gets your appeal. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medicaid service or item, you can file a Level 2 – Fair Hearing with the state yourself as soon as the time is up. In Michigan Fair Hearings are held by the Michigan Office of Administrative Hearings and Rules (MOAHR). **If we say Yes to part or all of your request**, we must authorize or provide the coverage we agreed to provide within 72 hours after we get your appeal.
- **If we say No to part or all of your request**, we send your appeal to the IRO for a Level 2 Appeal.

There are deadlines for a standard appeal.

- When we use the standard deadlines, we must give you our answer **within 30 calendar days** after we get your appeal for coverage for services you didn't get.
- If your request is for a Medicare Part B drug you didn't get, we give you our answer **within seven calendar days** after we get your appeal or sooner if your health requires it.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.
 - If we need extra days to make the decision, we tell you in writing.
 - If your request is for a Medicare Part B drug, we can't take extra time to make the decision.
- If you think we **shouldn't** take extra days, you can file a fast complaint about our decision. When you file a fast complaint, we give you an answer within 24 hours. For more information about making complaints, including fast complaints, refer to **Section K**.
- If we don't give you an answer by the deadline or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. The IRO will notify you in writing when it gets your appeal. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medicaid service or item, you can file a Level 2 – Fair Hearing with the state yourself as soon as the time is up. In Michigan, Fair Hearings are held by the Michigan Office of Administrative Hearings and Rules (MOAHR).

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

If we say Yes to part or all of your request, we must authorize or provide the coverage we agreed to provide within 30 calendar days, or **within seven calendar days** if your request is for a Medicare Part B drug, after we get your appeal.

If we say **No** to part or all of your request, **you have additional appeal rights**:

- If we say **No** to part or all of what you asked for, we send you a letter.
- If your problem is about coverage of a Medicare service or item, the letter tells you that we sent your case to the IRO for a Level 2 Appeal. The IRO will notify you in writing when it gets your appeal.
- If your problem is about coverage of a Michigan Medicaid service or item, the letter tells you how to file a Level 2 Appeal yourself.

F4. Making a Level 2 Appeal

If we say **No** to part or all of your Level 1 Appeal, we send you a letter. This letter tells you if Medicare, Michigan Medicaid, or both programs usually cover the service or item.

- If your problem is about a service or item that Medicare usually covers, we automatically send your case to Level 2 of the appeals process as soon as the Level 1 Appeal is complete.
- If your problem is about a service or item that Michigan Medicaid usually covers, you can file a Level 2 Appeal yourself. The letter tells you how to do this. We also include more information later in this chapter.
- If your problem is about a service or item that **both Medicare and Michigan Medicaid** may cover, you automatically get a Level 2 Appeal with the IRO. You can also ask for a Fair Hearing with the state.

If you qualified for continuation of benefits when you filed your Level 1 Appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Refer to **Section F3** for information about continuing your benefits during Level 1 Appeals.

- If your problem is about a service usually covered only by Medicare, your benefits for that service don't continue during the Level 2 appeals process with the IRO.
- If your problem is about a service usually covered only by Michigan Medicaid, your benefits for that service continue if you submit a Level 2 Appeal within 10 calendar days after getting our decision letter.

When your problem is about a service or item Medicare usually covers

The IRO reviews your appeal. It's an independent organization hired by Medicare.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

The formal name for the Independent Review Organization (IRO) is the **Independent Review Entity**, sometimes called the **IRE**.

- This organization isn't connected with us and isn't a government agency. Medicare chose the company to be the IRO, and Medicare oversees their work.
- We send information about your appeal (your "case file") to this organization. You have the right to a free copy of your case file.
- You have a right to give the IRO additional information to support your appeal.
- Reviewers at the IRO take a careful look at all information related to your appeal.

If you had a fast appeal at Level 1, you also have a fast appeal at Level 2.

- If you had a fast appeal to us at Level 1, you automatically get a fast appeal at Level 2. The IRO must give you an answer to your Level 2 Appeal **within 72 hours** of getting your appeal.
- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO can't take extra time to make a decision if your request is for a Medicare Part B drug.

If you had a standard appeal at Level 1, you also have a standard appeal at Level 2.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**.  - **within 72 hours** after we get the IRO's decision for **standard requests, or**
 - **within 24 hours** from the date we get the IRO's decision for **expedited requests**.

 - If your case meets the requirements, you choose whether you want to take your appeal further.
 - There are three additional levels in the appeals process after Level 2, for a total of five levels.

When your problem is about a service or item Medicaid usually covers, or that's covered by both Medicare and Michigan Medicaid

A Level 2 Appeal for services that Michigan Medicaid usually covers is a Fair Hearing with the state. In Michigan, Fair Hearings are held by the Michigan Office of Administrative Hearings and Rules (MOAHR). You must ask for a Fair Hearing in writing or by phone **within 120 calendar days** of the date we sent the decision letter on your Level 1 Appeal. The letter you get from us tells you where to submit your request for a Fair Hearing.

To ask for a Fair Hearing from MOAHR, you must complete a Request for Hearing form. We will send you a Request for Hearing form with the Notice of Appeal Decision. You can also get the form by calling the Michigan Medicaid Beneficiary Help Line at 1-800-642-3195 (TTY: 1-866-501-5656), or 1-800-975-7630 if calling from an internet-based phone service, Monday through Friday from 8:00 a.m. – 7:00 p.m. Complete the form and send it to:

Michigan Office of Administrative Hearings and Rules (MOAHR) PO
Box 30763
Lansing, MI 48909
FAX: 1-517-763-0146

You can also start the Fair Hearing by calling 1-800-648-3397. You can ask for an expedited (fast) Fair Hearing by calling that number or writing to the address or faxing to the number listed above.

After MOAHR gets your Fair Hearing request, you will get a letter telling you the date, time, and place of your hearing. Hearings are usually conducted over the phone, but you can ask that your hearing be conducted in person.

MOAHR must give you an answer in writing within 90 calendar days of when it gets your request for a Fair Hearing. If you qualify for an expedited Fair Hearing, MOAHR must give you an answer within 72 hours. However, if MOAHR needs to gather more information that may help you, it can take up to 14 more calendar days.

After you get the MOAHR final decision, you have 30 calendar days from the date of the decision to file a request for rehearing/reconsideration and/or to file an appeal with the Circuit Court.

The Fair Hearing office gives you their decision in writing and explain the reasons.

- If the Fair Hearing office says **Yes** to part or all of a request for a medical item or service, we must authorize or provide the service or item **within 72 hours** after we get their decision.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- If the Fair Hearing office says **No** to part or all of your appeal, it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."

If the IRO or Fair Hearing office decision is **No** for all or part of your request, you have additional appeal rights.

If your Level 2 Appeal went to the **IRO**, you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. An ALJ or attorney adjudicator handles a Level 3 Appeal. **The letter you get from the IRO explains additional appeal rights you may have.**

The letter you get from the Fair Hearing office describes the next appeal option.

Refer to **Section J** for more information about your appeal rights after Level 2.

F5. Payment problems

We don't allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You're never required to pay the balance of any bill.

If you get a bill for covered services and items, send the bill to us. Don't pay the bill yourself. We'll contact the provider directly and take care of the problem. If you do pay the bill, you can get a refund from our plan if you followed the rules for getting services or item.

For more information, refer to **Chapter 7** of this *Member Handbook*. It describes situations when you may need to ask us to pay you back or pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

If you ask to be paid back, you're asking for a coverage decision. We'll check if the service or item you paid for is covered and if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we'll send you the payment for the service or item typically within 30 calendar days, but no later than 60 calendar days after we get your request.
- If you haven't paid for the service or item yet, we'll send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item isn't covered or you did not follow all the rules, we'll send you a letter telling you we won't pay for the service or item and explaining why.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

If you don't agree with our decision not to pay, **you can make an appeal**. Follow the appeals process described in **Section F3**. When you follow these instructions, note:

- If you make an appeal for us to pay you back, we must give you our answer within 30 calendar days after we get your appeal.

If our answer to your appeal is **No** and **Medicare** usually covers the service or item, we'll send your case to the IRO. We'll send you a letter if this happens.

- If the IRO reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment to you or to the health care provider within 60 calendar days.
- If the IRO says **No** to your appeal, it means they agree that we shouldn't approve your request. This is called "upholding the decision" or "turning down your appeal." You'll get a letter explaining additional appeal rights you may have. Refer to **Section J** for more information about additional levels of appeal.

If our answer to your appeal is **No** and Michigan Medicaid usually covers the service or item, you can file a Level 2 Appeal yourself. Refer to **Section F4** for more information.

G. Medicare Part D drugs

Your benefits as a member of our plan include coverage for many drugs. Most of these are Medicare Part D drugs. There are a few drugs that Medicare Part D doesn't cover that Michigan Medicaid may cover. **This section only applies to Medicare Part D drug appeals.** We'll say "drug" in the rest of this section instead of saying "Medicare Part D drug" every time. For drugs covered only by Medicaid follow the process in Section E.

To be covered, the drug must be used for a medically accepted indication. That means the drug is approved by the Food and Drug Administration (FDA) or supported by certain medical references. Refer to **Chapter 5** of this *Member Handbook* for more information about a medically accepted indication.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

G1. Medicare Part D coverage decisions and appeals

Here are examples of coverage decisions you ask us to make about your Medicare Part D drugs:

- You ask us to make an exception, including asking us to:
 - cover a Medicare Part D drug that isn't on our plan's *Drug List* or
 - set aside a restriction on our coverage for a drug (such as limits on the amount you can get)
- You ask us if a drug is covered for you (such as when your drug is on our plan's *Drug List* but we must approve it for you before we cover it)

NOTE: If your pharmacy tells you that your prescription can't be filled as written, the pharmacy gives you a written notice explaining how to contact us to ask for a coverage decision.

An initial coverage decision about your Medicare Part D drugs is called a “**coverage determination.**”

- You ask us to pay for a drug you already bought. This is asking for a coverage decision about payment.

If you disagree with a coverage decision we made, you can appeal our decision. This section tells you both how to ask for coverage decisions and how to make an appeal. Use the chart below to help you.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

Which of these situations are you in?

You need a drug that isn't on our <i>Drug List</i> or need us to set aside a rule or restriction on a drug we cover.	You want us to cover a drug on our <i>Drug List</i>, and you think you meet plan rules or restrictions (such as getting approval in advance) for the drug you need.	You want to ask us to pay you back for a drug you already got and paid for.	We told you that we won't cover or pay for a drug in the way that you want.
You can ask us to make an exception. (This is a type of coverage decision.)	You can ask us for a coverage decision.	You can ask us to pay you back. (This is a type of coverage decision.)	You can make an appeal. (This means you ask us to reconsider.)
Start with Section G2, then refer to Sections G3 and G4.	Refer to Section G4.	Refer to Section G4.	Refer to Section G5.

G2. Medicare Part D exceptions

If we don't cover a drug in the way you would like, you can ask us to make an "exception." If we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber needs to explain the medical reasons why you need the exception.

Asking for coverage of a drug not on our *Drug List* or for removal of a restriction on a drug is sometimes called asking for a **formulary exception**.

Here are some examples of exceptions that you or your doctor or other prescriber can ask us to make:

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

1. Covering a drug that isn't on our *Drug List*

- If we agree to make an exception and cover a drug that isn't on our *Drug List*.
- You can't get an exception to the required copay amount for the drug.

2. Removing a restriction for a covered drug

- Extra rules or restrictions apply to certain drugs on our *Drug List* (refer to **Chapter 5** of this *Member Handbook* for more information).
- Extra rules and restrictions for certain drugs include:
 - Being required to use the generic version of a drug instead of the brand name drug.
 - Getting our approval in advance before we agree to cover the drug for you. This is sometimes called "prior authorization (PA)."
 - Being required to try a different drug first before we agree to cover the drug you ask for. This is sometimes called "step therapy."
 - Quantity limits. For some drugs, there are restrictions on the amount of the drug you can have.

G3. Important things to know about asking for an exception

Your doctor or other prescriber must tell us the medical reasons.

Your doctor or other prescriber must give us a statement explaining the medical reasons for asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our *Drug List* often includes more than one drug for treating a specific condition. These are called "alternative" drugs. If an alternative drug is just as effective as the drug you ask for and wouldn't cause more side effects or other health problems, we generally **don't** approve your exception request.

We can say Yes or No to your request.

- If we say **Yes** to your exception request, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your exception request, you can make an appeal. Refer to **Section G5** for information on making an appeal if we say **No**.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

The next section tells you how to ask for a coverage decision, including an exception.

G4. Asking for a coverage decision, including an exception

- Ask for the type of coverage decision you want by calling 1-800-935-6103 (TTY: 1-800-716-3231), writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Refer to **Section E3** to find out how to name someone as your representative.
- You don't need to give written permission to your doctor or other prescriber to ask for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, refer to **Chapter 7** of this *Member Handbook*.
- If you ask for an exception, give us a "supporting statement." The supporting statement includes your doctor or other prescriber's medical reasons for the exception request.
- Your doctor or other prescriber can fax or mail us the supporting statement. They can also tell us by phone and then fax or mail the statement.

If your health requires it, ask us for a "fast coverage decision."

We use the "standard deadlines" unless we agree to use the "fast deadlines."

- A **standard coverage decision** means we give you an answer within 72 hours after we get your doctor's statement.
- A **fast coverage decision** means we give you an answer within 24 hours after we get your doctor's statement.

A "fast coverage decision" is called an **"expedited coverage determination."**

You can get a fast coverage decision if:

- It's for a drug you didn't get. You can't get a fast coverage decision if you're asking us to pay you back for a drug you already bought.
- Your health or ability to function would be seriously harmed if we use the standard deadlines.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

If your doctor or other prescriber tells us that your health requires a fast coverage decision, we agree and give it to you. We send you a letter that tells you.

- If you ask for a fast coverage decision without support from your doctor or other prescriber, we decide if you get a fast coverage decision.
- If we decide that your medical condition doesn't meet the requirements for a fast coverage decision, we use the standard deadlines instead.
 - We send you a letter that tells you. The letter also tells you how to make a complaint about our decision.
 - You can file a fast complaint and get a response within 24 hours. For more information making complaints, including fast complaints, refer to **Section K**.

Deadlines for a fast coverage decision

- If we use the fast deadlines, we must give you our answer within 24 hours after we get your request. If you ask for an exception, we give you our answer within 24 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO. Refer to **Section G6** for more information about a Level 2 Appeal.
- If we say **Yes** to part or all of your request, we give you the coverage within 24 hours after we get your request or your doctor's supporting statement.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how you can make an appeal.

Deadlines for a standard coverage decision about a drug you didn't get

- If we use the standard deadlines, we must give you our answer within 72 hours after we get your request. If you ask for an exception, we give you our answer within 72 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we give you the coverage within 72 hours after we get your request or your doctor's supporting statement for an exception.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

Deadlines for a standard coverage decision about a drug you already bought

- We must give you our answer within 14 calendar days after we get your request.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we pay you back within 14 calendar days.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

G5. Making a Level 1 Appeal

An appeal to our plan about a Medicare Part D drug coverage decision is called a plan “**redetermination**”.

- Start your **standard** or **fast appeal** by calling **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information regarding your appeal.
- You must ask for an appeal **within 65 calendar days** from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

A fast appeal is also called an “**expedited redetermination**.”

- If you appeal a decision we made about a drug you didn't get, you and your doctor or other prescriber decide if you need a fast appeal.
- Requirements for a fast appeal are the same as those for a fast coverage decision. Refer to **Section G4** for more information.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

We consider your appeal and give you our answer.

- We review your appeal and take another careful look at all of the information about your coverage request.
- We check if we followed the rules when we said **No** to your request.
- We may contact you or your doctor or other prescriber to get more information.

Deadlines for a fast appeal at Level 1

- If we use the fast deadlines, we must give you our answer **within 72 hours** after we get your appeal.
 - We give you our answer sooner if your health requires it.
 - If we don't give you an answer within 72 hours, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must provide the coverage we agreed to provide within 72 hours after we get your appeal.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

Deadlines for a standard appeal at Level 1

- If we use the standard deadlines, we must give you our answer **within seven calendar days** after we get your appeal for a drug you didn't get.
- We give you our decision sooner if you didn't get the drug and your health condition requires it. If you believe your health requires it, ask for a fast appeal.
- If we don't give you a decision within seven calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.

If we say **Yes** to part or all of your request:

- We must **provide the coverage** we agreed to provide as quickly as your health requires, but **no later than seven calendar days** after we get your appeal.
- We must **send payment to you** for a drug you bought **within 30 calendar days** after we get your appeal.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal

G6. Making a Level 2 Appeal

If we say **No** to your Level 1 Appeal, you can accept our decision or make another appeal. If you decide to make another appeal, you use the Level 2 Appeal appeals process. The **IRO** reviews our decision when we said **No** to your first appeal. This organization decides if we should change our decision.

The formal name for the “Independent Review Organization” (IRO) is the **“Independent Review Entity”**, sometimes called the **“IRE”**.

To make a Level 2 Appeal, you, your representative, or your doctor or other prescriber must contact the IRO **in writing** and ask for a review of your case.

- If we say **No** to your Level 1 Appeal, the letter we send you includes **instructions about how to make a Level 2 Appeal** with the IRO. The instructions tell who can make the Level 2 Appeal, what deadlines you must follow, and how to reach the organization.
- When you make an appeal to the IRO, we send the information we have about your appeal to the organization. This information is called your “case file.” **You have the right to a free copy of your case file.**
- You have a right to give the IRO additional information to support your appeal.

The IRO reviews your Medicare Part D Level 2 Appeal and gives you an answer in writing. Refer to **Section F4** for more information about the IRO.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

Deadlines for a fast appeal at Level 2

If your health requires it, ask the IRO for a fast appeal.

- If they agree to a fast appeal, they must give you an answer **within 72 hours** after getting your appeal request.
- If they say **Yes** to part or all of your request, we must provide the approved drug coverage **within 24 hours** after getting the IRO's decision.

Deadlines for a standard appeal at Level 2

If you have a standard appeal at Level 2, the IRO must give you an answer:

- **within seven calendar days** after they get your appeal for a drug you didn't get.
- **within 14 calendar days** after getting your appeal for repayment for a drug you bought.

If the IRO says **Yes** to part or all of your request:

- We must provide the approved drug coverage **within 72 hours** after we get the IRO's decision.
- We must pay you back for a drug you bought within 30 calendar days after we get the IRO's decision.
- If the IRO says **No** to your appeal, it means they agree with our decision not to approve your request. This is called "upholding the decision" or "turning down your appeal".

If the IRO says **No** to your Level 2 Appeal, you have the right to a Level 3 Appeal if the dollar value of the drug coverage you ask for meets a minimum dollar value. If the dollar value of the drug coverage you ask for is less than the required minimum, you can't make another appeal. In that case, the Level 2 Appeal decision is final. The IRO sends you a letter that tells you the minimum dollar value needed to continue with a Level 3 Appeal.

If the dollar value of your request meets the requirement, you choose if you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2.
- If the IRO says **No** to your Level 2 Appeal and you meet the requirement to continue the appeals process, you:
 - Decide if you want to make a Level 3 Appeal.

H. Asking us to cover a longer hospital stay

When you're admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury. For more information about our plan's hospital coverage, refer to **Chapter 4** of this *Member Handbook*.

During your covered hospital stay, your doctor and the hospital staff work with you to prepare for the day when you leave the hospital. They also help arrange for care you may need after you leave.

- The day you leave the hospital is called your "discharge date."
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you're being asked to leave the hospital too soon or you're concerned about your care after you leave the hospital, you can ask for a longer hospital stay. This section tells you how to ask.

H1. Learning about your Medicare rights

Within two days after you're admitted to the hospital, someone at the hospital, such as a nurse or caseworker, will give you a written notice called "An Important Message from Medicare about Your Rights." Everyone with Medicare gets a copy of this notice whenever they're admitted to a hospital.

If you don't get the notice, ask any hospital employee for it. If you need help, call Member Services at the numbers at the bottom of the page. You can also call 1-800-MEDICARE (1-800-633-4227) 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

- **Read the notice** carefully and ask questions if you don't understand. The notice tells you about your rights as a hospital patient, including your rights to:
- Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
- Be a part of any decisions about the length of your hospital stay.
- Know where to report any concerns you have about the quality of your hospital care.
- Appeal if you think you're being discharged from the hospital too soon.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- **Sign the notice** to show that you got it and understand your rights.
- You or someone acting on your behalf can sign the notice.
- Signing the notice **only** shows that you got the information about your rights. Signing **doesn't** mean you agree to a discharge date your doctor or the hospital staff may have told you.
- **Keep your copy** of the signed notice so you have the information if you need it.

If you sign the notice more than two days before the day you leave the hospital, you'll get another copy before you're discharged.

You can look at a copy of the notice in advance if you:

- Call Member Services at the numbers at the bottom of the page
- Call Medicare at 1-800 MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- Visit www.cms.gov/medicare/forms-notice/beneficiary-notice-initiative/ffs-ma-im.

H2. Making a Level 1 Appeal

To ask for us to cover your inpatient hospital services for a longer time, make an appeal. The Quality Improvement Organization (QIO) reviews the Level 1 Appeal to find out if your planned discharge date is medically appropriate for you.

The QIO is a group of doctors and other health care professionals paid by the federal government. These experts check and help improve the quality for people with Medicare. They aren't part of our plan.

In Michigan, the QIO is Commence Health. Call them at 1-888-524-9900 (TTY: 1-888-985-8775). Contact information is also in the notice, "An Important Message from Medicare about Your Rights," and in **Chapter 2**.

Call the QIO before you leave the hospital and no later than your planned discharge date.

- **If you call before you leave**, you can stay in the hospital after your planned discharge date without paying for it while you wait for the QIO's decision about your appeal.
- **If you don't call to appeal**, and you decide to stay in the hospital after your planned discharge date, you may pay all costs for hospital care you get after your planned discharge date.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

Ask for help if you need it. If you have questions or need help at any time:

- Call Member Services at the numbers at the bottom of the page.
- Call the Michigan State Health Insurance Assistance Program (SHIP), MI Options at 1-800-803-7174 (TTY: 711), 8 a.m. – 5 p.m., Monday – Friday. **Ask for a fast review.** Act quickly and contact the QIO to ask for a fast review of your hospital discharge.

The legal term for “**fast review**” is “**immediate review**” or “**expedited review.**”

What happens during fast review

- Reviewers at the QIO ask you or your representative why you think coverage should continue after the planned discharge date. You aren’t required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that the hospital and our plan gave them.
- By noon of the day after reviewers tell our plan about your appeal, you get a letter with your planned discharge date. The letter also gives reasons why your doctor, the hospital, and we think that’s the right discharge date that’s medically appropriate for you.

The legal term for this written explanation is the “**Detailed Notice of Discharge.**” You can get a sample by calling Member Services at the numbers at the bottom of the page or 1-800-MEDICARE (1-800-633-4227). (TTY users should call 1-877-486-2048.) You can also refer to a sample notice online at www.cms.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im

Within one full day after getting all of the information it needs, the QIO give you their answer to your appeal.

If the QIO says **Yes** to your appeal:

- We’ll provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They believe your planned discharge date is medically appropriate.
- Our coverage for your inpatient hospital services will end at noon on the day after the QIO gives you their answer to your appeal.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

- You may have to pay the full cost of hospital care you get after noon on the day after the QIO gives you their answer to your appeal.
- You can make a Level 2 Appeal if the QIO turns down your Level 1 Appeal **and** you stay in the hospital after your planned discharge date.

H3. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at 1-888-524-9900.

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you stay in the hospital after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

- We must pay you back for hospital care costs since noon on the day after the date the QIO turned down your Level 1 Appeal.
- We'll provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They agree with their decision about your Level 1 Appeal and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time (ET), and from October 1 to March 31, the same hours, seven days a week. **For more information**, visit **HAPCareSource.com**.

I. Asking us to continue covering certain medical services

This section is only about three types of services you may be getting:

- home health care services
- skilled nursing care in a skilled nursing facility, **and**
- rehabilitation care as an outpatient at a Medicare-approved CORF. This usually means you're getting treatment for an illness or accident or you're recovering from a major operation.

With any of these three types of services, you have the right to get covered services for as long as the doctor says you need them.

When we decide to stop covering any of these, we must tell you **before** your services end. When your coverage for that service ends, we stop paying for it.

If you think we're ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

I1. Advance notice before your coverage ends

We send you a written notice that you'll get at least two days before we stop paying for your care. This is called the "Notice of Medicare Non-Coverage." The notice tells you the date when we'll stop covering your care and how to appeal our decision.

You or your representative should sign the notice to show that you got it. Signing the notice **only** shows that you got the information. Signing **doesn't** mean you agree with our decision.

I2. Making a Level 1 Appeal

If you think we're ending coverage of your care too soon, you can appeal our decision. This section tells you about the Level 1 Appeal process and what to do.

- **Meet the deadlines.** The deadlines are important. Understand and follow the deadlines that apply to things you must do. Our plan must follow deadlines too. If you think we're not meeting our deadlines, you can file a complaint. Refer to **Section K** for more information about complaints.
- **Ask for help if you need it.** If you have questions or need help at any time:
 - Call your Care Coordinator.
 - Call Member Services at the numbers at the bottom of the page.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. - Call the **MI Community, Home, and Health Ombudsman (MI CHHO)** for free help. The MI CHHO can help you with questions about or problems with the MI Coordinated Health (MICH) program or our plan.

The MICH Ombudsman is an independent program and is not connected with this plan. The phone number is 1-888-746-6456.

MLTCOP includes both the State Ombudsman and staff and a network of local ombudsmen whom the State Ombudsman program trains, designates, and supervises. To contact a local ombudsman in your area, call 866-485-9393 or send us an email at mltcop.org/contact.
- **Contact the QIO.**
- Refer to **Section H2** or refer to **Chapter 2** of this *Member Handbook* for more information about the QIO and how to contact them.
- Ask them to review your appeal and decide whether to change our plan's decision.

Your deadline for contacting this organization

- You must contact the QIO to start your appeal by noon of the day before the effective date on the “Notice of Medicare Non-Coverage” we sent you.

The legal term for the written notice is “**Notice of Medicare Non-Coverage**”. To get a sample copy, call Member Services at the numbers at the bottom of the page or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. - You decide if you want to continue these services and make a Level 2 Appeal.

J. Taking your appeal beyond Level 2

J1. Next steps for Medicare services and items

If the dollar value of the Medicare service or item you appealed doesn't meet a certain minimum dollar amount, you can't appeal any further. If the dollar value is high enough, you can continue the appeals process. The letter you get from the IRO for your Level 2 Appeal explains who to contact and what to do to ask for a Level 3 Appeal.

If the ALJ or attorney adjudicator says **Yes** to your appeal, we have the right to appeal a Level 3 decision that's favorable to you.

- If we decide **to appeal** the decision, we send you a copy of the Level 4 Appeal request with any accompanying documents. We may wait for the Level 4 Appeal decision before authorizing or providing the service in dispute.

J2. Additional Michigan Medicaid appeals

If your appeal went to the Michigan Office of Administrative Hearings and Rules (MOAHR) for a Fair Hearing, MOAHR will send you a letter explaining its decision. If you disagree with the MOAHR final decision, you have 30 calendar days from the date of the decision to file a request for rehearing/reconsideration and/or to file an appeal with the Circuit Court. A. When you can end your membership in our plan

Most people with Medicare can end their membership during certain times of the year. Since you have Michigan Medicaid, you have some choices to end your membership with our plan including any month of the year.

In addition, you may end your membership in our plan during the following periods each year:

- The **Open Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in a plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you're eligible to make a change to your enrollment. For example, when:

- you move out of our service area,
- your eligibility for Michigan Medicaid or Extra Help changed, **or**
- if you recently moved into, currently are getting care in, or just moved out of a nursing facility or a long-term care hospital.

Your membership ends on the last day of the month that we get your request to leave our plan. For example, if we get your request on January 18, your coverage with our plan ends on January 31. If you enroll in another plan, your new coverage begins the first day of the next month (February 1, in this example).

If you leave our plan, you can get information about your:

- Medicare options in the table in **Section C1**.
- Medicaid services in **Section C2**.

You can get more information about how you can end your membership by calling: Member Services at the number at the bottom of this page. The number for TTY users is listed too.

- Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

B. How to end your membership in our plan

If you decide to end your membership you can do so by enrolling in another Medicare plan or switch to Original Medicare. However, if you want to switch from our plan to Original Medicare but you haven't selected a separate Medicare drug plan, you must ask to be disenrolled from our plan. There are two ways you can ask to be disenrolled:

- Call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users (people who have difficulty with hearing or speaking) should call 1-877-486-2048. When you call 1-800-MEDICARE, you can also enroll in another Medicare health or drug plan. More information on getting your Medicare services when you leave our plan is in the chart in **Section C1**.
- **Section C** below includes steps that you can take to enroll in a different plan, which will also end your membership in our plan.

Improper/inappropriate billing: A situation when a provider (such as a doctor or hospital) bills you more than our cost-sharing amount for services. Call Member Services if you get any bills you don't understand.

Because we pay the entire cost for your services, you **don't** owe any cost-sharing. Providers shouldn't bill you anything for these services.

Independent review organization (IRO): An independent organization hired by Medicare that reviews a level 2 appeal. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work. The formal name is the **Independent Review Entity**.

Integrated D-SNP: A dual-eligible special needs plan that covers Medicare and most or all Medicaid services under a single health plan for certain groups of individuals eligible for both Medicare and Medicaid. These individuals are known as full-benefit dually eligible individuals.

List of Covered Drugs (Drug List): A list of prescription and over-the-counter (OTC) drugs we cover. We choose the drugs on this list with the help of doctors and pharmacists. The *Drug List* tells you if there are any rules you need to follow to get your drugs. The *Drug List* is sometimes called a “formulary”.

People with Medicare can get their Medicare health coverage through Original Medicare or a managed care plan (refer to “Health plan”).

Medicare Advantage: A Medicare program, also known as “Medicare Part C” or “MA”, that offers MA plans through private companies. Medicare pays these companies to cover your Medicare benefits.

Medicare Appeals Council (Council): A council that reviews a level 4 appeal. The Council is part of the Federal government.

Medicare-covered services: Services covered by Medicare Part A and Medicare Part B. All Medicare health plans, including our plan, must cover all the services covered by Medicare Part A and Medicare Part B.

The plan includes all Medicare services and most Medicaid benefits, such as long-term supports and services, with the exception of certain behavioral health and community transition services.

Network pharmacy: A pharmacy (drug store) that agreed to fill prescriptions for our plan members. We call them “network pharmacies” because they agreed to work with our plan. In most cases, we cover your prescriptions only when filled at one of our network pharmacies.

Network provider: “Provider” is the general term we use for doctors, nurses, and other people who give you services and care. The term also includes hospitals, home health agencies, clinics, and other places that give you health care services, medical equipment, and long-term services and supports.

- They’re licensed or certified by Medicare and by the state to provide health care services.
- We call them “network providers” when they agree to work with our health plan, accept our payment, and don’t charge members an extra amount.

Nursing home or facility: A place that provides care for people who can’t get their care at home but don’t need to be in the hospital.

The ombudsperson’s services are free. You can find more information in **Chapters 2 and 9** of this *Member Handbook*.

- They also may talk with other doctors and health care providers about your care and refer you to them.
- In many Medicare health plans, you must use your primary care provider before you use any other health care provider.

If you have questions, please call HAP CareSource MI Coordinated Health at **1-833-230-2057 (TTY: 1-833-711-4711 or 711)**. - Covered services that need our plan's PA are marked in **Chapter 4** of this *Member Handbook*.

Our plan covers some drugs only if you get PA from us.

The federal government pays the QIO to check and improve the care given to patients. Refer to **Chapter 2** of this *Member Handbook* for information about the QIO.

This includes cost-sharing amounts, alternative drugs that may be used for the same health condition as a given drug, and coverage restrictions (prior authorization, step therapy, quantity limits) that apply to alternative drugs.

Referral: A referral is your primary care provider's (PCP's) approval to use a provider other than your PCP. If you don't get approval first, we may not cover the services. You don't need a referral to use certain specialists, such as women's health specialists. You can find more information about referrals in **Chapters 3 and 4** of this *Member Handbook*.

Refer to **Chapter 4** of this *Member Handbook* to learn more about rehabilitation services.

Service area: A geographic area where a health plan accepts members if it limits membership based on where people live. Specialist: A doctor who provides health care for a specific disease or part of the body.

State hearing: If your doctor or other provider asks for a Medicaid service that we won't approve, or we won't continue to pay for a Medicaid service you already have, you can ask for a State hearing. If the State hearing is decided in your favor, we must give you the service you asked for.

Step therapy: A coverage rule that requires you to try another drug before we cover the drug you ask for.
