B. Providers

B1. Key terms

CareSource MyCare Ohio wants you to get the care you need. We make sure you have an Integrated Care Team so that all parts of your care are coordinated. This team is led by a Care Manager who makes sure your medical doctors, behavioral health providers, Long-Term Services and Support (LTSS) teams all work together. And the team keeps you at the center of all care decisions. The Integrated Care Team participates in things like health assessments, developing your care plan, putting the plan into practice, and making changes to the care plan as needed. The Care Manager directs and supports these activities to help you meet your health goals.

This section explains key terms you'll see in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
 - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
 - Providers that are a part of our plan's network are called network providers.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is an individual physician, physician group, Advance Practice Nurse (APRN), Women's Health specialist trained in family medicine

 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You also have access to a Care Manager and a Care Team that you choose. Your PCP will work closely with your Care Manager and Care Team.
 - Your **Care Manager** helps you manage all your providers and services. He or she works with your care team to make sure you get the care you need.
 - Your **Care Team** includes the people you need to support your care plan and provide for your individual health care needs. Your team may include your PCP, Care Manager, pharmacy, social services, behavioral health specialists and family and/or primary caregivers that you choose. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that he or she can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

LTSS gives assistance to help you stay at home instead of going to a nursing home or hospital.

See your member handbook for additional details. Your CareSource MyCare Ohio Care Manager can help you get and coordinate any needed long-term services. If you have questions please ask your Care Manager or call Member Services at **1-855-475-3163** (TTY: 1-800-750-0750 or 711).

You must get all of your covered services from providers within our network. These providers have an agreement to work with us and provide you services. We call these providers “network providers.”

The exceptions to this rule are when you need long-term nursing home care, urgent or emergency care, or dialysis and cannot get to a provider in the plan, such as when you are away from home. Also, for a specific period of time after your enrollment with CareSource MyCare Ohio you can see your out-of-network physicians and other service providers, including nursing homes and assisted living providers, home health nurses, aides and LTSS or “waiver services” providers.

You can also go outside the plan if CareSource MyCare Ohio gives you permission first. Call Member Services to ask for the use of providers outside of our network, so we can make arrangements for you.

- You may change providers within the network at any time during the year. If you have been going to one network provider, you do not have to keep going to that same provider.
- CareSource MyCare Ohio works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need to see a provider and are not sure if they offer the accommodations you need, CareSource MyCare Ohio can help you. Talk to your Care Manager for assistance.

B. Proveedores

B1. Términos clave

El equipo está liderado por un gestor de atención médica que se asegura de que sus médicos, proveedores de salud conductual y equipos de servicios y apoyo a largo plazo (Long-Term Services and Support, LTSS) trabajen juntos. Además, el equipo lo mantiene en el centro de todas las decisiones de atención médica. El equipo de atención médica integrada participa en cosas como las evaluaciones de salud, el desarrollo del plan de atención médica, la puesta en práctica del plan y la realización de cambios al plan de atención médica, según sea necesario. El gestor de atención médica dirige y apoya estas actividades para ayudarlo a alcanzar sus metas de salud.

Esta sección explica términos claves que usted encontrará en nuestro Directorio de proveedores y farmacias.

- **Los proveedores** son profesionales del cuidado de salud y proveedores de respaldo, como médicos, enfermeras, farmacéuticos, terapeutas y otras personas que proporcionan cuidado y servicios. **Los servicios** incluyen cuidado médico, servicios y respaldos a largo plazo (LTSS, por sus siglas en inglés), suministros, medicamentos de receta, equipos y otros servicios.

Si tiene alguna pregunta, por favor llame a CareSource MyCare Ohio al **1-855-475-3163**

- A los proveedores que son parte de la red de nuestro plan les llamamos proveedores de la red.
- **Los proveedores de la red** son los proveedores que tienen contrato para proporcionar servicios a los miembros de nuestro plan. Los proveedores de nuestra red, en general, nos cobran directamente por el cuidado que le dan a usted. Cuando usted visite a un proveedor de la red, generalmente paga nada por los servicios cubiertos.
- **Un Proveedor de cuidado personal (PCP)** es un médico individual, un grupo de médicos, un/a enfermero/a registrado/a de práctica avanzada (Advanced Practice Registered Nurse, APRN) o un especialista en salud femenina capacitado en medicina familiar (médico general) o medicina interna que le brinda atención médica de rutina. Su PCP llevará sus expedientes médicos y con el tiempo le conocerá a usted y sus necesidades de salud.
- **Los especialistas** son médicos que proporcionan servicios de cuidado de salud para una enfermedad o parte del cuerpo específicas. Existen muchos tipos de especialistas. Estos son algunos ejemplos:

 - **Su coordinador de cuidados** le ayudará a administrar a todos sus proveedores y servicios. Esta persona trabaja con su equipo de cuidados para asegurarse que usted reciba los cuidados que necesita.
 - **Su equipo de cuidados incluye** a las personas que necesita para apoyar su plan de atención médica y atender sus necesidades de atención médica individuales. Su equipo incluye a su PCP, al gestor de atención médica, la farmacia, los servicios sociales, especialistas de salud y a los proveedores de atención médica primaria y/o familia que elija. Todas las personas en su equipo de cuidados trabajan juntos para asegurarse que sus cuidados estén coordinados. Esto significa que se aseguran que las pruebas y exámenes de laboratorio sean hechos una sola vez y que los resultados sean compartidos con los proveedores apropiados. Esto también significa que su PCP sepa todos los medicamentos que usted toma para reducir cualquier efecto negativo. Su PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores.

B4. Cómo identificar los proveedores de la red de CareSource MyCare Ohio

Usted deberá recibir todos sus servicios cubiertos de proveedores dentro de nuestra red. Estos proveedores han aceptado trabajar con nosotros y proveerle servicios. Llamamos a estos proveedores “proveedores de la red.”

Las excepciones a esta regla son cuando usted necesite cuidados a largo plazo en un hogar para personas de la tercera edad, cuidado urgente o de emergencia, o diálisis y no puede ir a un proveedor del plan, como cuando usted está lejos de su casa. También, por un período de tiempo específico, después de que se inscriba en CareSource MyCare Ohio, usted puede ver a médicos y otros proveedores de servicios fuera de la red, incluyendo hogares para personas de la tercera edad y proveedores de vida con asistencia, enfermeras para el cuidado de salud en el hogar, asistentes de enfermeras y LTSS o proveedores de “servicios de renuncia”.

Usted también puede ir fuera del plan si CareSource MyCare Ohio le da permiso antes. Llame a Servicios al miembro para pedir el uso de proveedores fuera de la red, para que podamos hacer los arreglos necesarios para usted.

- Usted puede cambiar de proveedores dentro de la red en cualquier momento durante el año. Si ha estado consultando un proveedor de la red, usted no tiene que seguir viendo a ese proveedor.
- CareSource MyCare Ohio trabaja con todos proveedores de nuestra red, para adaptarse a las necesidades de las personas con discapacidades. Como sea aplicable, la lista de proveedores de la red de este directorio incluye la información sobre las adaptaciones que proporcionan los proveedores.
- Si tiene que consultar a un proveedor y no está seguro de que ofrezca las adaptaciones que usted necesita, CareSource MyCare Ohio puede ayudarle. Hable con su coordinador de cuidados para que le ayuden.

Mail Order Pharmacy(ies)/ Farmacias de pedido por correo

You can get prescription drugs shipped to your home through our network mail order delivery program. You also have the choice to sign up for automated mail order delivery. If you sign up for automatic order, the pharmacy needs to obtain your agreement. Typically, you should expect to receive your prescription drugs 7 to 10 days from the time that the pharmacy receives the order. If you do not get your prescription drug(s) within this time, if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at 1-855-475-3163 (TTY: 1-800-750-0750 or 711).

Usted puede hacer que sus medicamentos recetados se envíen a su domicilio a través del programa de farmacias de pedido por correo. También tiene la opción de registrarse para entrega de pedido por correo automática. Si se registra para pedidos automáticos, la farmacia necesita obtener su aprobación. Por lo general, usted debe esperar recibir sus medicamentos recetados de 7 a 10 después de la fecha en que la farmacia recibe el pedido. Si no recibe sus medicamentos recetados en este plazo, si le gustaría cancelar un pedido automático o si necesita solicitar un reembolso para recetas que recibió que no quería o necesitaba, comuníquese con nosotros al 1-855-475-3163 (TTY: 1-800-750-0750 o 711).
