Notice Date: December 2, 2025
To: HAP CareSource™ MI Health Link (Medicare-Medicaid Plan) Providers
From: HAP CareSource™
Subject: Align Provider Network Pharmacy Termination Disclosure
Effective Date: December 31, 2025

Summary

Express Scripts®, the pharmacy benefit manager for CareSource, has notified CareSource that Align Provider Network (APN/SPS) Pharmacy Services Administrative Organization (PSAO) has initiated termination from Express Scripts' pharmacy network effective December 31, 2025. Align Provider Network (APN/SPS) PSAO is a group of pharmacies that support prescription fulfillment for several Long-Term Care (LTC) facilities.

Impact

Members who are admitted to a LTC facility utilizing these pharmacies as their exclusive providers will need to have their prescriptions filled at an alternate pharmacy effective January 1, 2026. Effective then, the pharmacies listed in this notice will no longer be part of the network for the affected plans, and prescription claims submitted to these pharmacies will be denied.

Please see the list of pharmacies included in the Align Provider Network PSAO on pages 2 to 5.

Actions

HAP CareSource is notifying MI Health Link (Medicare-Medicaid Plan) providers for members currently in a LTC facility that utilizes one of these pharmacies. Our Case Management team is working with these LTC facilities to provide information and recommend utilization of an alternate pharmacy for HAP CareSource members. This has potential for significant impact to beneficiaries residing in one of these facilities. You can assist members with finding new pharmacies, as appropriate, using the [Find a Pharmacy Tool](#).

Please note: Newly admitted members to a LTC facility utilizing these pharmacies as their exclusive providers will need to have their prescriptions filled at an alternate pharmacy.
